INTERSTATE COMMERCE COMMISSION

SECURITY AGREEMENT

SECURITY AGREEMENT dated as of December 21, 1989 made by Itel Rail Corporation, a Delaware corporation (the "Debtor"), to Chemical Bank, as agent (in such capacity, the "Agent") on behalf of the banks (the "Lenders") parties to the Credit Agreement, as hereinafter defined.

WHEREAS, the Agent, the Lenders and the Debtor have entered into a Credit Agreement dated as of December 21, 1989 (the Credit Agreement, as it may hereafter be amended from time to time, being referred to as the "Credit Agreement"), pursuant to which the Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to make certain loans to the Debtor; and

WHEREAS, it is a condition precedent to the Lenders' obligations under the Credit Agreement that the Debtor shall have entered into this Agreement:

NOW, THEREFORE, in consideration of the premises and promises contained herein and in order to induce the Lenders to make Loans, as defined in the Credit Agreement, under the Credit Agreement, the Debtor hereby agrees with the Lenders as follows:

1. Grant of Present Security Interest. The Debtor hereby grants to the Agent, for its benefit and for the ratable benefit of the Lenders, to secure the payment of all monies due by the Debtor to the Agent and the Lenders and the performance of all obligations of the Debtor to the Agent and the Lenders arising under the Credit Agreement and under the Notes, as defined in the Credit Agreement, and under all other documents and agreements delivered pursuant to the Credit Agreement, and under all Interest Rate Agreements, as defined in the Credit Agreement, entered into pursuant to Section 8.09 of the Credit Agreement to which Agent or any Lender is a party, of every kind and description, whether absolute or contingent, due or to become due, now existing or hereafter incurred, including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. §362(a), (collectively, the "Obligations"), a security interest in: (a) all rolling stock of the Debtor or in which it has an interest, whether now owned or existing or hereafter owned or arising, wherever located (the "Pledged Rolling Stock"); and (b) the finance lease receivables listed on Schedule 1 attached hereto and made a part hereof, including all sums of money or other proceeds due or becoming due

thereon, all instruments pertaining thereto, all guaranties and security therefor, and all related insurance (the "Pledged Receivables") (all of the Pledged Rolling Stock and Pledged Receivables being hereinafter called the "Present Collateral"); provided, however that no security interest shall be granted with respect to rolling stock listed on Schedule 4 attached hereto.

2. Grant of Future Security Interest. The Debtor hereby grants to the Agent, for its benefit and for the ratable benefit of the Lenders, to secure the payment of all Obligations, a security interest in all assets of the Debtor or in which it has an interest which are not Present Collateral, whether now owned or existing or hereafter owned or arising, wherever located, and any and all additions, substitutions, accessions and proceeds thereto or thereof and proceeds of proceeds including payments made or which become due under policies of insurance insuring any assets of the Debtor (all of the same being hereinafter called the "Future Collateral"), including without limitation: (a) all rights pursuant to leases, installment purchase agreements or similar agreements; (b) all inventory; (c) all accounts receivable, including all rights to payment for goods sold or leased or for services rendered, all sums of money or other proceeds due or becoming due thereon, all instruments pertaining thereto, all guaranties and security therefor, and all goods giving rise thereto and the rights pertaining to such goods and all related insurance; (d) all contract rights, chattel paper, instruments and other obligations of any kind; (e) all documents of title, policies and certificates of insurance, securities, deposits and cash; (f) all rights to payment, including return premiums, with respect to any insurance, indemnity, warranty or guaranty; (g) all other rights to the payment of money, including without limitation amounts due from affiliates, tax refunds, and insurance proceeds; (h) all machinery, equipment and personal property, including but not limited to all furniture, furnishings, fixtures and items used by the Debtor in any way in the administration of its business, including all computer software and any license to use such software; (i) all files, records (including without limitation computer programs, tapes and related electronic data processing software) and writings of the Debtor or in which it has an interest in any way relating to the foregoing property; (j) all general intangibles (including without limitation any rights to retrieval from third parties of electronically processed, engineering drawings and recorded information pertaining to any of the foregoing types of collateral); and (k) all additions, substitutions, accessions, proceeds and products of the foregoing including but not limited to insurance proceeds; provided, however that no security interest shall be granted with respect to assets owned by the Debtor as of the date hereof or acquired by the

Debtor after the date hereof if such assets are subject to a lien permitted by subsection (g), subsection (h), subsection (i), subsection (j) or subsection (l) of Section 9.04 of the Credit Agreement, if and only if the terms of such permitted lien, the agreement creating such permitted lien or the agreement constituting such Future Collateral prohibit the Debtor from granting a security interest in such assets hereunder; and provided, further, that the grant of a security interest under this Section 2 shall not attach or become effective until the earlier to occur of July 15, 1991 or the payment in full of the Medium Term Notes (the "Trigger Date"). The Present Collateral and the Future Collateral is hereinafter referred to collectively as the "Collateral".

3. Representations, Warranties and Covenants. The Debtor hereby represents and warrants to and covenants with the Agent and the Lenders that:

(a) The chief executive office of the Debtor is located at 55 Francisco Street, San Francisco, California 94133. The Debtor shall give the Agent thirty (30) days' prior written notice of each location at which Collateral, except for rolling stock and parts and equipment related thereto with a value not material in relation to the value of all Collateral in the aggregate, is or will be kept, of each office of the Debtor at which the records of the Debtor pertaining to accounts receivable are kept, and of any change in the chief place of business or chief executive office of the Debtor. Except as such notice is given, all Collateral, except for rolling stock, is and shall be kept, and all records of the Debtor pertaining to accounts and contract rights are and shall be kept, at the locations listed on Schedule 2 hereto.

(b) A true, correct and complete list of all rail cars subject to the security interest granted hereunder as of the date hereof is attached hereto as Schedule 3, and a true, correct and complete list of all rail cars owned by the Debtor and not subject to the security interest granted hereunder as of the date hereof is attached hereto as Schedule 4.

(c) The Debtor has, and as to Collateral acquired after the date hereof will have, good and marketable title to all of the Collateral, subject to no lien or encumbrance thereon or security interest or claim of any third person therein that affects or could reasonably be expected to affect the security interest granted hereunder, except for

liens permitted pursuant to the Credit Agreement. No effective financing statement or other instrument similar in effect, other than those relating to liens permitted pursuant to the Credit Agreement, covering all or any part of the Collateral is on file in any recording office except in favor of Agent relating to this Agreement. The Debtor shall not sell, assign, transfer or create or suffer to exist any lien or encumbrance on or security interest in any Collateral to or in favor of any person other than pursuant to this Agreement and other than as permitted pursuant to the Credit Agreement.

(d) The Debtor will keep the Collateral at all times insured by such insurance as may from time to time be required pursuant to the Credit Agreement.

4. Taxes, Repairs. Should the Debtor fail to do so (except as permitted pursuant to the Credit Agreement) the Agent may, in its discretion, discharge taxes, charges and other encumbrances at any time levied or placed on or assessed with respect to the Present Collateral and, on and after the Trigger Date, the Future Collateral, make repairs thereof and pay any necessary filing fees, if the failure to do so could have a material adverse effect on the business, properties, assets, operation or condition (financial or otherwise) of the Debtor and its subsidiaries, taken as a whole. The Debtor agrees to reimburse the Agent on demand for any and all expenditures so made and until paid the amount thereof shall be a debt secured by the Collateral. Neither the Agent nor any Lender shall have any obligation to the Debtor to make any such expenditures, nor shall the making thereof relieve the Debtor of any default prior to reimbursement by the Debtor to the Agent in full of any such expenditures.

5. Further Assurances.

(a) The Debtor agrees that from time to time, at the expense of the Debtor, it will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or, in the reasonable opinion of the Agent, desirable in order to perfect and protect the security interests granted or purported to be granted hereby, except for the perfecting of the security interests set forth in Schedule 5 hereto, or to enable the Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, the Debtor will execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be necessary or, in the reasonable opinion

of the Agent, desirable in order to perfect and preserve the security interests granted or purported to be granted hereby, except for the perfecting of the security interests set forth in Schedule 5 hereto.

(b) The Debtor hereby authorizes the Agent to file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of the Debtor where permitted by law. A carbon, photographic or other reproduction of this Agreement or any financing statement covering the Collateral or any part thereof shall be sufficient as a financing statement where permitted by law. The Agent agrees that prior to the Trigger Date, it shall not file any financing statements to perfect the security interest granted hereby in Future Collateral, and upon the filing of such financing statements on the Trigger Date, it shall concurrently give written notice of such action to the Debtor.

(c) The Debtor will furnish to the Agent from time to time statements and schedules further identifying and describing the Collateral and such other reports in connection with the Collateral as the Agent may reasonably request, all in reasonable detail.

(d) The Debtor will not make any change in its corporate name or conduct its business operations under any fictitious business name or trade name without giving the Agent at least 30 days' prior written notice of such changed or new name.

(e) Except as set forth on Schedule 6 hereto, the Debtor does not do business under any fictitious business name or trade name and, except as permitted by Section 4(d), will not do business under any fictitious business name or trade name.

(f) Except for (i) with regard to Present Collateral, the filing or recording of a financing statement under the Uniform Commercial Code in the office of the Secretary of State of California, Personal Property Security Act filings, or the equivalent thereof, in Canada, and the filings required to be made with the Interstate Commerce Commission, and (ii) with regard to Future Collateral, the filing or recording of financing statements under the Uniform Commercial Code in the offices identified by the Borrower to the Agent at least twenty (20) days prior to the Trigger Date, Personal Property Security Act filings, or the equivalent thereof, in Canada and the filings required to be made with the Interstate Commerce Commission, no authorization, approval or other action by, and no notice to or filing with, any

governmental authority or regulatory body is required either (1) for the grant by the Debtor of the security interest granted hereby or for the execution, delivery or performance of this Agreement by the Debtor or (2) for the perfection or enforcement of any of the rights and remedies of the Agent and the Lenders hereunder; provided that this Section 5(f)(ii) shall not apply with respect to the perfection of the security interests set forth in Schedule 5 hereto.

(g) This Agreement creates a valid security interest in so much of the Present Collateral, and on the Trigger Date will create a valid security interest in so much of the Future Collateral, as is subject to the Uniform Commercial Code or to Title 49 USC Section 11303, securing the payment and performance of the Obligations, and all applications, filings and other actions reasonably necessary to perfect and protect such security interest and to constitute a first priority security interest in the Collateral (subject only to the liens permitted pursuant to the Credit Agreement) have been, with regard to the Present Collateral, and will be, with regard to the Future Collateral, duly made or taken, except with respect to the perfection of the security interests set forth in Schedule 5 hereto, and the Debtor agrees that the delivery of a Notice of Borrowing under the Credit Agreement shall constitute a representation and warranty by the Debtor that all such applications, filings and other actions have been, with regard to the Present Collateral, and on and after the Trigger Date will be, with regard to the Future Collateral, duly made or taken, except with respect to the perfection of the security interests set forth in Schedule 5 hereto.

6. Collection of Accounts Receivable. Until the Agent requests (which request shall not be made unless an Event of Default shall have occurred and be continuing and, in the case of Future Collateral, shall not be made until on and after the Trigger Date) that debtors on accounts receivable of the Debtor be notified of the security interest granted hereby, the Debtor shall have no obligation to so notify such debtors. Until the making of such a request, the Debtor shall, if so requested by the Agent, which request shall not be made unless a Default or Event of Default has occurred and is continuing and, in the case of Future Collateral, shall not be made until on and after the Trigger Date, hold the proceeds received from collection as trustee for the Agent and the Lenders without commingling the same with other funds of the Debtor and shall turn the same over to the Agent, or to such bank as may be approved by the Agent, immediately upon receipt in the identical form received; provided, however, that the Agent acknowledges that some of such proceeds may be received in a form which also contains funds belonging to third parties ("Third Party Funds"), and that such proceeds can be so

commingled with Third Party Funds, so long as such proceeds are transferred to an agency account under which the Debtor holds such funds until segregating them and remitting them to the owners thereof (including the Debtor) in accordance with the interests of such owners, and so long as the Agent supervises the Debtor's handling and allocation of such proceeds. The Debtor shall cooperate with the Agent in the establishment of such agreements with those banks as the Agent may request for the purpose of better assuring the Agent's and the Lenders' right to such proceeds. Upon and during the continuance of any Default or Event of Default under the Credit Agreement and if, in the case of Future Collateral, the Trigger Date has occurred, the Debtor shall, at the request of the Agent, notify the account debtors of the security interest granted hereby in any Account and that payment thereof is to be made directly to the Agent and the Agent may itself at any time upon and during the continuance of any Default or Event of Default under the Credit Agreement and if, in the case of Future Collateral, the Trigger Date has occurred, without notice to or demand upon the Debtor, so notify account debtors. The making of such a request or the giving of any such notification shall not affect the duties of the Debtor described above with respect to proceeds of collection of accounts receivable received by the Debtor.

7. Certain Remedies. Upon the occurrence and during the continuance of an Event of Default under the Credit Agreement and if, in the case of Future Collateral, the Trigger Date has occurred, the Agent may at any time in its discretion transfer any securities or other property constituting Collateral into its own name or that of its nominee and receive the income thereon and hold the same as security for Obligations or apply it on principal or interest due on Obligations. Insofar as Collateral shall consist of accounts, contract rights, other claims and rights to the payment of money, insurance policies, instruments, chattel paper, choses in action or the like, the Agent may, upon and during the continuance of any Event of Default under the Credit Agreement and if, in the case of Future Collateral, the Trigger Date has occurred, without notice to or consent of the Borrower, compromise, adjust, use, sue for, foreclose or realize upon Collateral as the Agent may determine, and for the purpose of realizing the Agent's rights therein, the Agent may receive, open and dispose of mail addressed to the Debtor and endorse notes, checks, drafts, money orders, documents of title or other evidences of payment, shipment or storage or any form of Collateral on behalf of and in the name of the Debtor. None of the aforementioned rights or remedies shall inure to the benefit of the Agent at any time when an Event of Default is not continuing or, with respect to Future Collateral, prior to

the Trigger Date. The powers conferred on the Agent by this paragraph are solely to protect the interest of the Agent and the Lenders and shall not impose any duties on the Agent or any Lender to exercise any powers.

8. Default; Remedies. The Debtor may have possession and use of the Collateral until the happening of any event of default under this Agreement and, in the case of Future Collateral, until the Trigger Date has occurred, namely: (a) any representation or warranty of the Debtor in this Agreement or made to the Agent or the Lenders by the Debtor to induce the Agent to enter into this Agreement or to induce the Lenders to make advances to the Debtor misstates any fact or omits any fact necessary to make the facts set forth herein or therein not misleading as of the date on which such representation and warranty is made and such misstatement or omission is material to the financial condition of the Debtor and its Subsidiaries, taken as a whole, or to the validity, priority, perfection or enforceability of the Lenders' security interest in the Collateral; (b) loss, theft, damage, destruction, sale, or encumbrance of or to the Collateral, or the making of any levy on any part thereof or seizure or attachment of any part thereof by legal process, if the amount of such loss, theft, damage, destruction, sale or encumbrance not covered by insurance does or will materially adversely affect the business, properties, assets, operation or condition (financial or otherwise) of the Debtor and its Subsidiaries taken as a whole; (c) the Borrower fails to comply with its covenant contained in Section 5(a) of this Agreement and such failure continues for thirty (30) days; (d) the Borrower fails to comply with any of its covenants contained in Section 2(e), Section 3(a), Section 5(c), Section 5(d), Section 5(e) or Section 6 of this Agreement and such default continues for five (5) business days; (e) the Borrower fails to comply with its covenant contained in Section 13 of this Agreement and such failure continues for one business day; (f) any Event of Default has occurred and is continuing under the Credit Agreement, other than the cross-default contained in Section 10.01(k) of the Credit Agreement to this Section 8; thereupon, and as long as such event of default continues, the Agent shall then have in any jurisdiction where enforcement hereof is sought, to the fullest extent permitted by law from time to time, in addition to all other rights and remedies, the rights and remedies of a secured party under the Uniform Commercial Code of New York, including without limitation thereto the right to take immediate possession of the Present Collateral and, on and after the Trigger Date, the Future Collateral, and for this purpose the Agent may, so far as Debtor can give authority therefor, enter upon any premises on which the Present Collateral and, on and after the Trigger Date, the Future Collateral, or any part thereof, may be

situated and remove the same therefrom. The Debtor will upon demand make the Present Collateral and, on and after the Trigger Date, the Future Collateral available to the Agent at a place and time designated by the Agent which is reasonably convenient to both parties; provided that the Debtor shall not be required to violate its covenant of quiet enjoyment under its rail car lease agreements. The Agent will give the Debtor at least twenty days' prior written notice of the time and place of any public sale of Collateral or of the time after which any private sale thereof is to be made.

9. Private Sale and Compliance with Law.

(a) Neither Agent nor any Lender shall incur any liability as a result of the sale of Collateral, or any part thereof, at any private sale conducted in a commercially reasonable manner. Debtor hereby waives any claim against Agent or any Lender arising by reason of the fact that the price at which Collateral may have been sold at such a private sale conducted in a commercially reasonable manner was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Obligations, even if Agent accepts the first offer received and does not offer Collateral to more than one offeree.

(b) Debtor agrees that in any sale of any of the Collateral whenever an Event of Default under the Credit Agreement shall have occurred and be continuing, Agent is hereby authorized to comply with any limitation or restriction in connection with such sale as it may be advised by counsel is necessary in order to avoid any violation of applicable law or in order to obtain any required approval of the sale or of the purchaser by any governmental regulatory authority or official, and Debtor further agrees that such compliance shall not result in such sale being considered or deemed not to have been made in a commercially reasonable manner, nor shall Agent or any Lender be liable or accountable to Debtor for any discount allowed by reason of the fact that such Collateral is sold in compliance with any such limitation or restriction.

10. Application of Proceeds. All proceeds received by the Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be held by the Agent as Collateral for, and promptly applied in whole by the Agent against, the Obligations in the following order of priority:

FIRST: To the repayment of the costs and expenses of such sale, collection or other realization, and all expenses, liabilities and advances made or incurred by the Agent in connection therewith;

SECOND: After payment in full of the amounts specified in the preceding subparagraph, to the payment of all Obligations in accordance with the Credit Agreement; and

THIRD: After payment in full of the amounts specified in the preceding subparagraphs, to the payment to or upon the order of the Debtor, or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct, of any surplus then remaining.

11. Agent Appointed Attorney-in-Fact. The Debtor hereby irrevocably appoints the Agent as the Debtor's attorney-in-fact, with full authority in the place and stead of the Debtor and in the name of the Debtor, the Agent or otherwise, from time to time in the Agent's discretion upon the occurrence and during the continuation of an Event of Default under the Credit Agreement and, with regard to Future Collateral, on and after the Trigger Date, to take any action and to execute any instrument which the Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation to file any claims or take any action or institute any proceedings which the Agent may deem reasonably necessary for the collection of any of the Collateral or otherwise to enforce the rights of the Agent with respect to any of the Collateral.

12. Agent's Duties. The powers conferred on the Agent hereunder are solely to protect its and the Lenders' interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the safe custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral.

13. Indemnity and Expenses.

(a) The Debtor agrees to indemnify the Agent and each Lender from and against any and all claims, losses and liabilities growing out of or resulting from this Agreement (including, without limitation, enforcement of this Agreement), except claims, losses or liabilities resulting from the Agent's or such Lender's gross negligence or willful misconduct.

(b) The Debtor will upon demand pay to the Agent and the Lenders the amount of any and all reasonable expenses, including the reasonable fees and disbursements of counsel and

of any experts and agents, which the Agent or any Lender may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement of any of the rights of the Agent hereunder or (iv) the failure by the Debtor to perform or observe any of the provisions hereof.

14. Amendments, Etc. No amendment or waiver of any provision of this Agreement nor consent to any departure by the Debtor herefrom shall in any event be effective unless the same shall be in writing and signed by the Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. None of the Debtor's rights or obligations or any interest therein hereunder may be assigned without the written consent of all Lenders.

15. Addresses for Notices. All notices and other communications provided for hereunder shall be given as provided in Section 13.05 of the Credit Agreement.

16. Continuing Security Interest. This Agreement shall create a continuing security interest in the Present Collateral, and, on and after the Trigger Date, the Future Collateral, and shall (i) remain in full force and effect until payment and performance in full of the Obligations (or 91 days after payment and performance in full of the Obligations solely if the Agent has, in good faith based upon an opinion of Agent's counsel, reasonable cause to believe that such payment will constitute a voidable preference under federal bankruptcy law and no reasonable defense to such preference exists, unless Debtor makes such payment from funds borrowed or procured from any source other than an affiliate of Debtor with any express condition that such funds or a portion thereof be used to pay the Obligations) and the cancellation or termination of the Tranche A Commitments and the Tranche B Commitments, as defined in the Credit Agreement, (ii) be binding upon the Debtor, its successors and assigns and (iii) inure to the benefit of the Agent and the Lenders and their successors, transferees and assigns. Upon the payment in full of the Obligations (or 91 days after payment and performance in full of the Obligations solely if the Agent has, in good faith based upon an opinion of Agent's counsel, reasonable cause to believe that such payment will constitute a voidable preference under federal bankruptcy law and no reasonable defense to such preference exists, unless Debtor makes such payment from funds borrowed or procured from any source other than an affiliate of Debtor with any express condition that such funds or a portion thereof be used to pay the Obligations) and the cancellation or termination of the Tranche A Commitments and the Tranche B Commitments, as defined in the Credit Agreement, the security interest granted hereby

shall terminate and all rights to the Collateral shall revert to the Debtor. Upon any such termination, the Agent will, at the Debtor's expense, execute and deliver to the Debtor such documents as the Debtor shall reasonably request to evidence such termination.

17. Governing Law; Terms. This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflict of laws principles, except to the extent that the validity or perfection of the security interest hereunder, or remedies hereunder, in respect of any particular Collateral are governed by the laws of a jurisdiction other than the State of New York. Unless otherwise defined herein, terms used in the Uniform Commercial Code in effect in the State of New York are used herein as therein defined.

18. Consent to Jurisdiction and Service of Process; Waiver of Jury Trial. All judicial proceedings brought against Debtor arising out of or relating to this Agreement may be brought in any state or federal court of competent jurisdiction in the State of New York and by execution and delivery of this Agreement Debtor accepts for itself and in connection with its properties, generally and unconditionally, the nonexclusive jurisdiction of the aforesaid courts and waives any objection to venue and any defense of forum non conveniens, and irrevocably agrees to be bound by any judgment rendered thereby in connection with this Agreement. All parties to this Agreement irrevocably waive all right to trial by jury in any judicial proceeding arising out of or relating to this Agreement. Debtor designates and appoints CT Corporation System and such other persons as may hereafter be selected by Debtor irrevocably agreeing in writing to so serve, as its agent to receive on its behalf service of all process in any such proceedings in any such court, such service being hereby acknowledged by Debtor to be effective and binding service in every respect. A copy of any such process so served shall be mailed by registered mail to Debtor at its address provided in the Credit Agreement, except that unless otherwise provided by applicable law, any failure to mail such copy shall not affect the validity of service of process. If any agent appointed by Debtor refuses to accept service, Debtor hereby agrees that service upon it by mail shall constitute sufficient notice. Nothing herein shall affect the right to service of process in any other manner permitted by law or shall limit the right of Agent or Lender to bring proceedings against Debtor in the courts of any other jurisdiction.
