Dear Sir/Madam:

This firm represents Duke Energy Florida, LLC (formerly Duke Energy Florida, Inc.) (the "Company").

Enclosed please find for recordation pursuant to the provisions of Section 11301 of Title 49 of the U.S. Code an original of the following document:

Fifty-Third Supplemental Indenture, dated as of September 1, 2016 (the "53rd Supplemental Indenture"), executed by the Company, in favor of The Bank of New York Mellon, Trustee.

We also enclose a certified true copy of the 53rd Supplemental Indenture and, in payment of the recordation fee, our check in the amount of \$43.00 payable to the Surface Transportation Board.

The 53rd Supplemental Indenture modifies and amends the original indenture dated as of January 1, 1944 (the "Original Mortgage"), and the 52 supplemental indentures thereto that were executed prior to the execution of the 53rd Supplemental Indenture. For informational purposes, the Original Mortgage and such 52 prior supplements thereto are expressly described in the 53rd Supplemental Indenture. The 53rd Supplemental Indenture constitutes a "secondary document" as defined in 49 CFR 1177.1(b) because it amends and modifies the 52nd Supplemental Indenture (as well as the Original Mortgage and the other 51 prior supplemental indentures). The recordation number of the primary document to which the 53rd Supplemental Indenture is connected is 27455.

ARTICLE I

THE NEW SERIES BONDS

A. CREATION OF FIRST MORTGAGE BONDS, 3.40% SERIES DUE 2046

Section 1. The Company hereby creates a new series of bonds, not limited in principal amount except as provided in the Original Indenture, to be issued under and secured by the Original Indenture, to be designated by the title "First Mortgage Bonds, 3.40% Series due 2046." The initial issue of the 2046 Bonds shall consist of Six Hundred Million Dollars (\$600,000,000) principal amount thereof. Subject to the terms of the Indenture, the principal amount of the 2046 Bonds is unlimited. The Company may, at its option in the future, issue additional 2046 Bonds.

The 2046 Bonds shall be issued only as registered bonds without coupons in the denomination of Two Thousand Dollars (\$2,000) and any integral multiple of One Thousand Dollars (\$1,000) above that amount.

Section 2. (a) The 2046 Bonds shall be issued in registered form without coupons and shall be issued initially in the form of one or more Global Bonds (each such Global Bond, a “2046 Global Bond”) to or on behalf of The Depository Trust Company (“DTC”), as depository therefor (in such capacity, the “Depository”), and registered in the name of such Depository or its nominee. Any 2046 Bonds to be issued or transferred to, or to be held by or on behalf of DTC as such Depository or such nominee (or any successor of such nominee) for such purpose shall bear the depository legends in substantially the form set forth at the top of the form of the 2046 Bonds in Section B of this Article I, unless otherwise agreed by the Company, and in the case of a successor Depository, such legend or legends as such Depository and/or the Company shall require and to which each shall agree, in each case such agreement to be confirmed in writing to the Trustee. Principal of, and interest on, the 2046 Bonds and the Redemption Price (as defined below), if applicable, will be payable, the transfer of the 2046 Bonds will be registrable and the 2046 Bonds will be exchangeable for the 2046 Bonds bearing identical terms and provisions, at the office or agency of the Company in the Borough of Manhattan, The City and State of New York; *provided, however,* that payment of interest may be made at the option of the Company by check mailed to the registered holders thereof at their registered address; and *further provided, however,* that with respect to a 2046 Global Bond, the Company may make payments of principal of, and interest on, the 2046 Global Bond and the Redemption Price, if applicable, and interest on such 2046 Global Bond pursuant to and in accordance with such arrangements as are agreed upon by the Company and the Depository for such 2046 Global Bond. The 2046 Bonds shall have the terms set forth in the form of the New Series Bond set forth in Section B of this Article I.

(b) Notwithstanding any other provision of this Subsection A.2 of this Article I or of Section 2.03 of the Original Indenture, except as contemplated by the provisions of paragraph (c) below, a 2046 Global Bond may be transferred, in whole but not in part and in the manner provided in Section 2.03 of the Original Indenture, only to a nominee of the Depository for such 2046 Global Bond, or to the Depository, or to a successor Depository for such 2046 Global Bond selected or approved by the Company, or to a nominee of such successor Depository.

(c) (1) If at any time the Depository for a 2046 Global Bond notifies the Company that it is unwilling or unable to continue as the Depository for such 2046 Global Bond or if at any time the Depository for a 2046 Global Bond ceases to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, at a time when the Depository is required to be so registered to act as such Depository, the Company shall appoint a successor Depository with respect to such 2046 Global Bond. If a successor Depository for such 2046 Global Bond is not appointed by the Company within 90 days after the Company receives such notice or becomes aware of such cessation, the Company will execute, and the Trustee, upon receipt of a Company order for the authentication and delivery of 2046 Bonds in the form of definitive certificates in exchange for such 2046 Global Bond, will authenticate and deliver, without service charge, 2046 Bonds in the form of definitive certificates of like tenor and terms in an aggregate principal amount equal to the principal amount of the 2046 Global Bond in exchange for such 2046 Global Bond. Such 2046 Bonds will be issued to and registered in the name of such person or persons as are specified by the Depository.

(2) The Company may at any time and in its sole discretion (subject to the procedures of the Depository) determine that any 2046 Bonds issued or issuable in the form of one or more 2046 Global Bonds shall no longer be represented by such 2046 Global Bond or Bonds. In any such event the Company will execute, and the Trustee, upon receipt of a Company order for the authentication and delivery of 2046 Bonds in the form of definitive certificates in exchange in whole or in part for such 2046 Global Bond or Bonds, will authenticate and deliver, without service charge, to each person specified by the Depository, 2046 Bonds in the form of definitive certificates of like tenor and terms in an aggregate principal amount equal to the principal amount of such 2046 Global Bond or the aggregate principal amount of such 2046 Global Bonds in exchange for such 2046 Global Bond or Bonds.

(3) If at any time a completed default has occurred and is continuing with respect to the 2046 Bonds and beneficial owners of a majority in aggregate principal amount of the 2046 Bonds represented by 2046 Global Bonds advise the Depository to cease acting as the Depository, the Company will execute, and the Trustee, upon receipt of a Company order for the authentication and delivery of 2046 Bonds in the form of definitive certificates in exchange for such 2046 Global Bond, will authenticate and deliver, without service charge, 2046 Bonds in the form of definitive certificates of like tenor and terms in an aggregate principal amount equal to the principal amount of the 2046 Global Bond in exchange for such 2046 Global Bond. Such 2046 Bonds will be issued to and registered in the name of such person or persons as are specified by the Depository.

(4) In any exchange provided for in any of the preceding three subparagraphs, the Company shall execute and the Trustee shall authenticate and deliver 2046 Bonds in the form of definitive certificates in authorized denominations. Upon the exchange of the entire principal amount of a 2046 Global Bond for 2046 Bonds in the form of definitive certificates, such 2046 Global Bond shall be canceled by the Trustee. Except as provided in the immediately preceding subparagraph, 2046 Bonds issued in exchange for a 2046 Global Bond pursuant to Subsection A.2 of this Article I shall be registered in such names and in such authorized denominations as the Depository for such 2046 Global Bond, acting pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. Provided that the Company and the Trustee have so agreed, the Trustee shall deliver such 2046 Bonds to the persons in whose names the 2046 Bonds are so to be registered.

(5) Any endorsement of a 2046 Global Bond to reflect the principal amount thereof, or any increase or decrease in such principal amount, shall be made in such manner and by such person or persons as shall be specified in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the Depository with respect to such 2046 Global Bond or in the Company order delivered or to be delivered pursuant to Section 4.07 of the Original Indenture with respect thereto. Subject to the provisions of Section 4.07 of the Original Indenture, the Trustee shall deliver and redeliver any such 2046 Global Bond in the manner and upon instructions given by the person or persons specified in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the Depository with respect to such 2046 Global Bond or in any applicable Company order. If a Company order pursuant to Section 4.07 of the Original Indenture is so delivered, any instructions by the Company with respect to such 2046 Global Bond contained therein shall be in writing but need not be accompanied by or contained in an officers' certificate and need not be accompanied by an opinion of counsel.

(6) The Depository or, if there be one, its nominee, shall be the holder of a 2046 Global Bond for all purposes under the Indenture and the 2046 Bonds and beneficial owners with respect to such 2046 Global Bond shall hold their interests pursuant to applicable procedures of such Depository. The Company, the Trustee and any bond registrar shall be entitled to deal with such Depository for all purposes of the Indenture relating to such 2046 Global Bond (including the payment of principal, the Redemption Price, if applicable, and interest and the giving of instructions or directions by or to the beneficial owners of such 2046 Global Bond as the sole holder of such 2046 Global Bond and shall have no obligations to the beneficial owners thereof (including any direct or indirect participants in such Depository)). None of the Company, the Trustee, any paying agent or bond registrar shall have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of a beneficial owner in or pursuant to any applicable letter of representations or other arrangement entered into with, or procedures of, the Depository with respect to such 2046 Global Bond or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 3. September 9, 2016, shall be the date of the beginning of the first interest period for the 2046 Bonds. The first Interest Payment Date (as defined below) shall be April 1, 2017. The 2046 Bonds shall be dated as provided in Section 2.01 of the Original Indenture. The 2046 Bonds shall be payable on October 1, 2046, in such coin or currency of the United States of America as at the time of payment is legal tender for the payment of public and private debts, and shall bear interest, payable in like coin or currency, at the rate of 3.40% per annum, payable semiannually on April 1 and October 1 of each year (each an "Interest Payment Date") to the persons in whose names the 2046 Bonds are registered at the close of business on the tenth calendar day next preceding the Interest Payment Date (i.e., March 22 and September 21, respectively) (each a "Regular Record Date"), *provided, however*, that so long as the 2046 Bonds are registered in the name of DTC, its nominee or a successor depository, the Regular Record Date for interest payable on any Interest Payment Date shall be the close of business on the business day immediately preceding such Interest Payment Date (each subject to certain exceptions provided in this Supplemental Indenture and the Indenture), until maturity, according to the terms of the bonds or on prior redemption or by declaration or otherwise, and at the highest rate of interest borne by any of the bonds outstanding under the Indenture from such date of maturity until they shall be paid or payment thereof shall have been duly provided for. Principal of, and interest on, the 2046 Bonds and the Redemption Price, if applicable, shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York; *provided, however*, that payment of interest may be made, at the option of the Company, by check mailed by the Company or its affiliate to the person entitled thereto at his registered address. If a due date for the payment of interest, principal or the Redemption Price, if applicable, falls on a day that is not a business day, then the payment will be made on the next succeeding business day, and no interest will accrue on the amounts payable for the period from and after the original due date

and until the next business day. The term “business day” means any day other than a Saturday or Sunday or day on which banking institutions in The City of New York are required or authorized to close.

At any time before April 1, 2046 (the “Par Call Date”), the 2046 Bonds shall be redeemable, in whole or in part and from time to time, at the option of the Company, on any date (a “Redemption Date”), at a redemption price (the “Make-Whole Redemption Price”) equal to the greater of (i) 100% of the principal amount of the 2046 Bonds being redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the 2046 Bonds being redeemed that would be due if the 2046 Bonds matured on the Par Call Date (exclusive of interest accrued to such Redemption Date) discounted to such Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest on the principal amount being redeemed to, but excluding, such Redemption Date.

At any time on or after the Par Call Date, the 2046 Bonds shall be redeemable, in whole or in part and from time to time, at the option of the Company, at a redemption price (together with any Make-Whole Redemption Price, each a “Redemption Price”) equal to 100% of the principal amount of the 2046 Bonds being redeemed plus accrued and unpaid interest on the principal amount being redeemed to, but excluding, such Redemption Date.

For purposes of the second preceding paragraph of this Section 3, the following terms have the following meanings:

“Comparable Treasury Issue” means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the 2046 Bonds to be redeemed (assuming, for this purpose, that the 2046 Bonds matured on the Par Call Date), that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the 2046 Bonds.

“Comparable Treasury Price” means, with respect to any Redemption Date, (1) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or (2) if the Quotation Agent obtains fewer than four of such Reference Treasury Dealer Quotations, the average of all such Reference Treasury Dealer Quotations as determined by the Company.

“Quotation Agent” means a Reference Treasury Dealer appointed by the Company.

“Reference Treasury Dealer” means each of J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, The Bank of Nova Scotia, New York Agency (an affiliate of Scotia Capital (USA) Inc.), and a Primary Treasury Dealer (as defined below) selected by SunTrust Robinson Humphrey, Inc., plus one other financial institution appointed by the Company at the time of any redemption, or their respective affiliates or successors, each of which is a primary U.S. Government securities dealer in the United States (a “Primary Treasury Dealer”); *provided, however*, that if any of the foregoing or their affiliates or successors shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third business day preceding such Redemption Date.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate shall be calculated by the Company on the third business day preceding the Redemption Date.

So long as the 2046 Bonds are registered in the name of DTC, its nominee or a successor depository, if the Company elects to redeem less than all of the 2046 Bonds, DTC’s practice is to determine by lot the amount of the interest of

each Direct Participant in the 2046 Bonds to be redeemed. At all other times, the Trustee shall draw by lot, in such manner as it deems appropriate, the particular 2046 Bonds, or portions of them, to be redeemed.

The 2046 Bonds shall also be redeemable, as a whole but not in part, at the Make-Whole Redemption Price in the event that (i) all the outstanding common stock of the Company shall be acquired by some governmental body or instrumentality and the Company elects to redeem all of the bonds of all series, the Redemption Date in any such event to be not more than one hundred twenty (120) days after the date on which all said stock is so acquired, or (ii) all, or substantially all, the mortgaged and pledged property constituting bondable property which at the time shall be subject to the lien of the Indenture as a first lien shall be released from the lien of the Indenture pursuant to the provisions thereof, and available moneys in the hands of the Trustee, including any moneys deposited by the Company available for the purpose, are sufficient to redeem all the bonds of all series at the redemption prices (together with accrued interest to the date of redemption) specified therein applicable to the redemption thereof upon the happening of such event.

Notice of redemption shall be given by mail not less than 30 nor more than 90 days prior to the date fixed for redemption to the holders of 2046 Bonds to be redeemed (which, as long as the 2046 Bonds are held in the book-entry only system, will be the Depository, its nominee or a successor depository). On and after the date fixed for redemption (unless the Company defaults in the payment of the Redemption Price and interest accrued thereon to such date), interest on the 2046 Bonds or the portions of them so called for redemption shall cease to accrue. If the Company elects to redeem any 2046 Bonds, the Company will notify the Trustee of its election at least 45 days prior to the Redemption Date (or a shorter period acceptable to the Trustee). The Company will provide the Trustee a reasonably detailed computation of the Redemption Price with such notice (or if the Redemption Price includes the Make Whole Redemption Price, the manner of calculation, with the actual computation provided by the Company to the Trustee promptly following its computation).

The 2046 Bonds of the several denominations are exchangeable for a like aggregate principal amount of other 2046 Bonds of other authorized denominations. Notwithstanding the provisions of Section 2.03 of the Original Indenture, for any exchange of the 2046 Bonds for other 2046 Bonds of different authorized denominations, or for any transfer of 2046 Bonds, the Company may require the payment of a sum sufficient to reimburse it for any tax or other governmental charge incident thereto only. The 2046 Bonds may be presented for transfer or exchange at the corporate trust office of the Trustee in New York, New York.

B. FORM OF THE NEW SERIES BONDS

The New Series Bonds shall be substantially in the following form, with such inclusions, omissions, and variations as the Board of Directors of the Company may determine in accordance with the provisions of the Indenture and with such variations, as set forth therein:

FIRST MORTGAGE BOND
% SERIES DUE 20
DUE , 20

This bond is one of an issue of bonds of the Company (herein referred to as the bonds), not limited in principal amount except as provided in the Mortgage hereinafter mentioned, issuable in series, which different series may mature at different times, may bear interest at different rates, and may otherwise vary as provided in the Mortgage hereinafter mentioned, and is one of a series known as its First Mortgage Bonds, % Series due 20 (herein referred to as the "Bonds of this Series"), all bonds of all series issued and to be issued under and equally and ratably secured (except insofar as any sinking or analogous fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the bonds of any particular series) by an Indenture dated as of January 1, 1944 (the "Original Indenture" and herein, together with all indentures supplemental thereto including the Fifty-Third Supplemental Indenture dated as of September 1, 2016 (the "Fifty-Third Supplemental Indenture") between the Company and The Bank of New York Mellon, as Trustee, called the "Mortgage"), to which reference is made for the nature and extent of the security, the rights of the holders of bonds and of the Company in respect thereof, the rights, duties and immunities of the Trustee, and the terms and conditions upon which the bonds are, and are to be, issued and secured. The Mortgage contains provisions permitting the holders of not less than seventy-five per centum (75%) in principal amount of all the bonds at the time outstanding, determined and evidenced as provided in the Mortgage, or in case the rights under the Mortgage of the holders of bonds of one or more, but less than all, of the series of bonds outstanding shall be affected, the holders of not less than seventy-five per centum (75%) in principal amount of the bonds at the time outstanding of all series affected, determined and evidenced as provided in the Mortgage, on behalf of the holders of all the bonds to waive any past default under the Mortgage and its consequences except a completed default, as defined in the Mortgage, in respect of the payment of the principal of or interest on any bond or default arising from the creation of any lien ranking prior to or equal with the lien of the Mortgage on any of the mortgaged and pledged property. The Mortgage also contains provisions permitting the Company and the Trustee, with the consent of the holders of not less than seventy-five per centum (75%) in principal amount of all the bonds at the time outstanding, determined and evidenced as provided in the Mortgage, or in case the rights under the Mortgage of the holders of bonds of one or more, but less than all, of the series of bonds outstanding shall be affected, then with the consent of the holders of not less than seventy-five per centum (75%) in principal amount of the bonds at the time outstanding of all series affected, determined and evidenced as provided in the Mortgage, to execute supplemental indentures adding any provisions to or changing in any manner or eliminating any of the provisions of the Mortgage or modifying in any manner the rights of the holders of the bonds and coupons; *provided, however*, that no such supplemental indenture shall (i) extend the fixed maturity of any bonds, or reduce the rate or extend the time of payment of interest thereon, or reduce the principal amount thereof, without the express consent of the holder of each bond so affected, or (ii) reduce the aforesaid percentage of bonds, the holders of which are required to consent to any such supplemental indenture, without the consent of the holders of all bonds then outstanding, or (iii) permit the creation of any lien ranking prior to or equal with the lien of the Mortgage on any of the mortgaged and pledged property, or (iv) deprive the holder of any outstanding bond of the lien of the Mortgage on any of the mortgaged and pledged property. Any such waiver or consent by the registered holder of this bond (unless effectively revoked as provided in the Mortgage) shall be conclusive and binding upon such holder and upon all future holders of this bond, irrespective of whether or not any notation of such waiver or consent is made upon this bond. No reference herein to the Mortgage and no provision of this bond or of the Mortgage shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this bond at the time and place and at the rate and in the coin or currency herein prescribed.

The Bonds of this Series are issuable in denominations of Two Thousand Dollars (\$2,000) and any integral multiple of One Thousand Dollars (\$1,000) above that amount and are exchangeable for a like aggregate principal amount of Bonds of this Series of other authorized denominations. This bond is transferable as prescribed in the Mortgage by the registered holder hereof in person, or by his duly authorized attorney, at the office or agency of the Company in said Borough of Manhattan, The City of New York, upon surrender and cancellation of this bond, and upon payment, if the Company shall require it, of the transfer charges prescribed in the Fifty-Third Supplemental

Indenture hereinabove referred to, and thereupon a new fully registered bond or bonds of authorized denominations of the same series and for the same aggregate principal amount will be issued to the transferee in exchange herefor as provided in the Mortgage. The Company and the Trustee, any paying agent and any bond registrar may deem and treat the person in whose name this bond is registered as the absolute owner hereof, whether or not this bond shall be overdue, for the purpose of receiving payment and for all other purposes and neither the Company nor the Trustee nor any paying agent nor any bond registrar shall be affected by any notice to the contrary.

At any time before April 1, 2046 (the "Par Call Date"), the Bonds of this Series shall be redeemable, in whole or in part and from time to time, at the option of the Company, on any date (a "Redemption Date"), at a redemption price (the "Make-Whole Redemption Price") equal to the greater of (i) 100% of the principal amount of the Bonds of this Series being redeemed and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on the Bonds of this series being redeemed that would be due if the Bonds of this series matured on the Par Call Date (exclusive of interest accrued to such Redemption Date) discounted to such Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus, in either case, accrued and unpaid interest on the principal amount being redeemed to, but excluding, such Redemption Date.

At any time on or after the Par Call Date, the Bonds of this Series shall be redeemable, in whole or in part and from time to time, at the option of the Company, at a redemption price (together with any Make-Whole Redemption Price, each a "Redemption Price") equal to 100% of the principal amount of the Bonds of this Series being redeemed plus accrued and unpaid interest on the principal amount being redeemed to, but excluding, such Redemption Date.

For purposes of the second immediately preceding paragraph, the following terms have the following meanings:

"Comparable Treasury Issue" means the United States Treasury security selected by the Quotation Agent as having an actual or interpolated maturity comparable to the remaining term of the Bonds of this Series to be redeemed (assuming, for this purpose, that the Bond of this series matured on the Par Call Date) that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Bonds of this Series.

"Comparable Treasury Price" means, with respect to any Redemption Date for the Bonds of this Series, (1) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or (2) if the Quotation Agent obtains fewer than four of such Reference Treasury Dealer Quotations, the average of all such Reference Treasury Dealer Quotations as determined by the Company.

"Quotation Agent" means a Reference Treasury Dealer appointed by the Company.

"Reference Treasury Dealer" means each of J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, The Bank of Nova Scotia, New York Agency (an affiliate of Scotia Capital (USA) Inc.), and a Primary Treasury Dealer (as defined below) selected by SunTrust Robinson Humphrey, Inc., plus one other financial institution appointed by the Company at the time of any redemption of the Bonds of this Series], or their respective affiliates or successors, each of which is a primary U.S. Government securities dealer in the United States (a "Primary Treasury Dealer"); *provided, however*, that if any of the foregoing or their affiliates or successors shall cease to be a Primary Treasury Dealer, the Company shall substitute therefor another Primary Treasury Dealer.

"Reference Treasury Dealer Quotations" means, with respect to each Reference Treasury Dealer and any Redemption Date for the Bonds of this Series, the average, as determined by the Quotation Agent, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Quotation Agent by such Reference Treasury Dealer at 5:00 p.m., New York City time, on the third business day preceding such Redemption Date.

"Treasury Rate" means, with respect to any Redemption Date for the Bonds of this Series, the rate per annum equal to the semi-annual equivalent yield to maturity or interpolated maturity (on a day count basis) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal

amount) equal to the Comparable Treasury Price for such Redemption Date. The Treasury Rate shall be calculated by the Company on the third business day preceding the Redemption Date.

So long as the Bonds of this Series are registered in the name of DTC, its nominee or a successor depository, if the Company elects to redeem less than all of the Bonds of this Series, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in the Bonds of this Series to be redeemed. At all other times, the Trustee shall draw by lot, in such manner as it deems appropriate, the particular Bonds of this Series, or portions of them, to be redeemed.

The Bonds of this Series shall also be redeemable, as a whole but not in part, at the Make-Whole Redemption Price in the event that (i) all the outstanding common stock of the Company shall be acquired by some governmental body or instrumentality and the Company elects to redeem all of the bonds of all series, the Redemption Date in any such event to be not more than one hundred twenty (120) days after the date on which all said stock is so acquired, or (ii) all, or substantially all, the mortgaged and pledged property constituting bondable property which at the time shall be subject to the lien of the Mortgage as a first lien shall be released from the lien of the Mortgage pursuant to the provisions thereof, and available moneys in the hands of the Trustee, including any moneys deposited by the Company available for the purpose, are sufficient to redeem all the bonds of all series at the redemption prices (together with accrued interest to the date of redemption) specified therein applicable to the redemption thereof upon the happening of such event.

Notice of redemption shall be given by mail not less than 30 nor more than 90 days prior to the date fixed for redemption to the holders of the Bonds of this Series to be redeemed (which, as long as the Bonds of this Series are held in the book-entry only system, will be the Depository, its nominee or a successor depository). On and after the date fixed for redemption (unless the Company defaults in the payment of the Redemption Price and interest accrued thereon to such date), interest on the Bonds of this Series or the portions of them so called for redemption shall cease to accrue. If the Company elects to redeem any Bonds of this Series, the Company will notify the Trustee of its election at least 45 days prior to the Redemption Date (or a shorter period acceptable to the Trustee). The Company will provide the Trustee a reasonably detailed computation of the Redemption Price with such notice (or if the Redemption Price includes the Make Whole Redemption Price, the manner of calculation, with the actual computation provided by the Company to the Trustee promptly following its computation).

The Mortgage provides that if the Company shall deposit with The Bank of New York Mellon or its successor as Trustee in trust for the purpose funds sufficient to pay the principal of all the bonds of any series, or such of the bonds of any series as have been or are to be called for redemption (including any portions, constituting \$1,000 or an integral multiple thereof, of fully registered bonds), and premium, if any, thereon, and all interest payable on such bonds (or portions) to the date on which they become due and payable at maturity or upon redemption or otherwise, and complies with the other provisions of the Mortgage in respect thereof, then from the date of such deposit such bonds (or portions) shall no longer be secured by the lien of the Mortgage.

The Mortgage provides that, upon any partial redemption of a fully registered bond, upon surrender thereof endorsed for transfer, new bonds of the same series and of authorized denominations in principal amount equal to the unredeemed portion of such fully registered bond will be delivered in exchange therefor.

The principal hereof may be declared or may become due prior to the express date of the maturity hereof on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a completed default as in the Mortgage provided.

No recourse shall be had for the payment of the principal of, the Redemption Price, if applicable, or interest on this bond, or for any claim based hereon, or otherwise in respect hereof, or based on or in respect of the Mortgage or under or upon any obligation, covenant or agreement contained in the Mortgage, against any incorporator or any past, present or future subscriber to the capital stock, stockholder, officer or director, as such, of the Company or of any predecessor or successor corporation, either directly or through the Company or any predecessor or successor corporation under any present or future rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, stockholders, officers and directors, as such, being waived and released by the holder and owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

C. INTEREST ON THE NEW SERIES BONDS

Interest on any New Series Bond which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the person in whose name that bond (or one or more predecessor bonds) is registered at the close of business on the Regular Record Date for such interest specified in the provisions of this Supplemental Indenture. Interest shall be computed on the basis of a 360-day year composed of twelve 30-day months.

Any interest on any New Series Bond which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the registered holder on the relevant Regular Record Date solely by virtue of such holder having been such holder; and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Subsection A or B below:

A. The Company may elect to make payment of any Defaulted Interest on the New Series Bonds to the persons in whose names such bonds (or their respective predecessor bonds) are registered at the close of business on a special record date for the payment of such Defaulted Interest, which shall be fixed in the following manner (a "Special Record Date"). The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each bond and the date of the proposed payment (which date shall be such as will enable the Trustee to comply with the next sentence hereof), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Subsection provided and not to be deemed part of the trust estate or trust moneys. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each holder of a bond of the New Series Bonds at the address as it appears in the bond register not less than 10 days prior to such Special Record Date. The Trustee may, in its discretion in the name and at the expense of the Company, cause a similar notice to be published at least once in a newspaper approved by the Company in each place of payment of the New Series Bonds, but such publication shall not be a condition precedent to the establishment of such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the New Series Bonds (or their respective predecessor bonds) are registered on such Special Record Date and shall no longer be payable pursuant to the following Subsection B.

B. Section 2. That, so long as any of the New Series Bonds shall be outstanding, it will not declare or pay any dividends (except a dividend in its own common stock) upon its common stock, or make any other distribution (by way of purchase, or otherwise) to the holders thereof, except a payment or distribution out of net income of the Company subsequent to December 31, 1943; and that it will not permit any subsidiary of the Company to purchase any shares of common stock of the Company. The terms (i) "dividend" shall be interpreted so as to include distributions and (ii) "common stock" and "shares of common stock" shall be interpreted so as to include membership interests.

For the purpose of this Section, net income of the Company shall be determined by regarding as charges or credits to income, as the case may be, any and all charges or credits to earned surplus subsequent to December 31, 1943, representing adjustments on account of excessive or deficient accruals to income for taxes, and operating expenses shall include all proper charges for the maintenance and repairs of the property owned by the Company and appropriations out of income for the retirement or depreciation of the property used in its electric business in an amount of not less than the amount of the minimum provision for depreciation determined as provided in clause (5) of paragraph A of Section 1.05 of the Original Indenture.

ARTICLE III

SUNDRY PROVISIONS

Section 1. This Supplemental Indenture is executed and shall be construed as an indenture supplemental to the Original Indenture, and shall form a part thereof and all of the provisions contained in the Original Indenture in respect to the rights, privileges, immunities, powers and duties of the Trustee shall be applicable in respect hereof as fully and with like effect as if set forth herein in full. The Trustee agrees to accept and act upon instructions or directions pursuant to this Supplemental Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that the Company shall provide to the Trustee an incumbency certificate listing designated persons authorized to provide such instructions, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the Company elects to give the Trustee e-mail or facsimile instructions pursuant to this Supplemental Indenture (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling in the absence of manifest error. Subject to Sections 14.02 and 14.03 of the Indenture, the Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding whether such instructions conflict or are inconsistent with a subsequent written instruction. Subject to Sections 14.02 and 14.03 of the Indenture, the Company agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee pursuant to this Supplemental Indenture, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 2. This Supplemental Indenture may be simultaneously executed in any number of counterparts, and all of said counterparts executed and delivered, each as an original, shall constitute but one and the same instrument.

Section 3. The Trustee shall not be responsible in any manner whatsoever for or in respect of the validity or sufficiency of this Supplemental Indenture or of the due execution hereof by the Company or for or in respect of the recitals contained herein, all of which recitals are made by the Company solely.

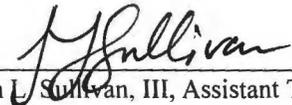

Section 4. Although this Supplemental Indenture is dated for convenience and for purposes of reference as of September 1, 2016, the actual dates of execution by the Company and by the Trustee are as indicated by the respective acknowledgments hereto annexed.
