RECORDATION NO. 14165-D Filed 1425

JUN 11 1984 - 10 23 AM

INTERSTATE COMMERCE COMMISSION

**ASSIGNMENT OF AUGUST 18, 1983 LEASE  
BETWEEN RAIL AND CRAB ORCHARD AND EGYPTIAN RAILROAD COMPANY**

**ASSIGNMENT OF LEASE AND AGREEMENT** dated as of May 23, 1984 (hereunder called this "Assignment"), by and between **ITEL RAIL CORPORATION**, a Delaware corporation ("Rail") and **FIRST SECURITY BANK OF UTAH, NATIONAL ASSOCIATION**, a national banking association, incorporated and existing under the laws of the United States of America (the "Trustee").

**WHEREAS**, Rail has entered into a Consolidated, Amended, and Restated Equipment Trust Agreement, dated January 1, 1982, (the "Agreement"), and pursuant to the Agreement, Rail has certain obligations with respect to the Itel Corporation, Itel Rail Corporation 9 $\frac{1}{4}$ % Amended Equipment Trust Certificates, 1978 Series 2, due 1993 (the "Amended 1978 Series 2 Trust Certificates"); and

**WHEREAS**, Rail is the successor in interest to Itel pursuant to the Agreement which is part of Itel's Amended Plan of Reorganization that was approved by the bankruptcy court, both of which became effective on September 19, 1983.

**WHEREAS**, Rail and **CRAB ORCHARD AND EGYPTIAN RAILROAD COMPANY** (hereinafter called the "Lessee") are parties to a lease of Equipment (as defined in the Agreement) dated as of August 18, 1983, (the "Lease"), providing for the leasing by Rail to the Lessee of certain units of the Trust Equipment (as defined in the Agreement); and

**WHEREAS**, the Lease may also cover the leasing to the Lessee of other equipment not included as part of the Trust Equipment; and

**WHEREAS**, in order to provide security for the obligations of Rail under the Agreement, Rail agrees to assign for security purposes its rights, to and under the Lease, as amended, to the Trustee as and only to the extent that the Lease relates to the Trust Equipment;

**NOW, THEREFORE**, in consideration of the payments to be made and the covenants hereinafter mentioned to be kept and performed, the parties hereto hereby agree as follows:

- I. Rail hereby assigns, transfers, and sets over unto the Trustee, as collateral security for the payment and performance of Rail's obligations under the Agreement with respect to the Amended 1978 Series 2 Trust Certificates, all of Rail's rights, title, and interest, powers, privileges, and other benefits under the Lease as and only to the extent that the Lease relates to the Trust Equipment set forth in Annex A hereto, including, without limitation, all rights to receive and collect all rentals, profits, and other sums payable to or receivable by Rail from the Lessee under or pursuant to the provisions of the Lease to the extent that the same are payable in respect of such Trust Equipment, whether as rent, casualty payment, indemnity, liquidated damages, or otherwise (such moneys being hereinafter called the "Payments"); **provided, however**, that until a Default or an Event of Default under the Agreement shall occur, it is understood that Rail shall be entitled to collect and receive all the Payments and to make all waivers and agreements, to give all notices, consents, and releases, to take all

action upon the happening of an event of default specified in the Lease, and to apply all Payments to which Rail is entitled to the payment of any and all of Rail's obligations under the Agreement and to retain the balance, if any. In furtherance of the foregoing assignment, but subject to the foregoing provisions of this paragraph, Rail hereby irrevocably authorizes and empowers the Trustee in its own name, in the name of its nominee or in the name of Rail or as its attorney, to ask, demand, sue for, collect, and receive any and all the Payments to which Rail is or may become entitled under the Lease, and to enforce compliance by the Lessee with all the terms and provisions thereof. Whenever a Lease covers other equipment not included as part of the Trust Equipment and the amount of any payment due to Rail under such Lease as car hire payments (including both straight and incentive per diem), mileage charges, or other rental revenues is calculated on an aggregate basis for all equipment leased thereunder, for the purposes of this Assignment an amount equal to the Assigned Fraction (as hereinafter defined) of each such payment shall be deemed to be payable with respect to such Trust Equipment leased under such Lease. The term "Assigned Fraction" as used herein shall mean a fraction the numerator of which shall be the number of units of equipment comprising such Trust Equipment leased under such lease and the denominator of which shall be the aggregate number of units of equipment (including such units of Trust Equipment) at the time leased under such lease.

2. This Assignment is executed only as security for the obligations of Rail with respect to the Amended 1978 Series 2 Trust Certificates under the Agreement and, therefore, the execution and delivery of the Assignment shall not subject the Trustee to, or transfer, or pass, or in any way affect or modify, the liability of Rail under the Lease, it being understood and agreed that notwithstanding this Assignment or any subsequent assignment, all obligations of Rail to the Lessee shall be and remain enforceable by the Lessee, its successor and assigns, against, and only against Rail or persons other than the Trustee or any holder of Amended 1978 Series 2 Trust Certificates.
3. To protect the security afforded by this Assignment, Rail agrees as follows:
  - (a) Rail will faithfully abide by, perform and discharge each and every obligation, covenant, and agreement which the Lease provides is to be performed by Rail;
  - (b) At Rail's sole cost and expense, Rail will appear in and defend every action or proceeding arising under, growing out of, or in any manner connected with the obligations, duties, or liabilities of Rail under the Lease; and
  - (c) Should Rail fail to make any payment or to do any act which this Assignment requires Rail to make or do, then the Trustee may, but without obligation so to do, after first making written demand upon Rail and affording Rail a reasonable period of time within which to make such payment or do such act, but without releasing Rail from any obligation hereunder, make or do the same in such manner and to such extent as the Trustee may deem necessary to protect the security provided hereby, including specifically, without limiting its general powers, the right to appear in and defend any action or proceeding purporting to affect the security hereof and the rights or powers of the Trustee, and also the right to perform and discharge each and every obligation, covenant, and agreement of Rail contained in the Lease, and in exercising any such powers, the Trustee may pay necessary costs and expenses, employ counsel, and incur and pay reasonable attorneys' fees, and Rail will reimburse the Trustee for such costs, expenses, and fees.

4. Upon the full discharge and satisfaction of all of Rail's obligations under the Agreement and this Assignment, all rights herein assigned to the Trustee shall terminate, and all estate, right, title and interest of the Trustee in and to the Lease shall revert to Rail.
5. Rail will, from time to time, do and perform any other act and will execute, acknowledge, and deliver and file, register, deposit, and record (and will refile, reregister, rerecord, or redeposit whenever required) any and all further instruments required by law or reasonably requested by the Trustee in order to confirm or further assure the interests of the Trustee hereunder.
6. If an Event of Default shall occur and be continuing under the Agreement, the Trustee may assign all or any of the rights assigned to it hereby or arising under the Lease, including without limitation, the right to receive any Payments due or to become due. In the event of any such assignment, any such subsequent or successive assignee or assignees shall, to the extent of such assignment, enjoy all the rights and privileges and be subject to all the obligations of the Trustee hereunder. The Trustee will give written notice to Rail and the Lessee of any such assignment.
7. This Assignment shall be governed by the laws of the State of New York, but the parties shall be entitled to all rights conferred by the laws of the United States permitting filing with the Interstate Commerce Commission.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in their respective names, by officers thereunto duly authorized, and their respective seals to be affixed and duly attested, all as of the date first above written.
