THE EMPIRE DISTRICT ELECTRIC COMPANY, a corporation organized and existing under the laws of the State of Kansas (hereinafter some-

times called the Company), for value received, hereby promises to pay to bearer, or in case this bond be registered, to the registered owner hereof, on December 1, 1980 (unless this bond shall have been called for previous redemption and provision made for the payment of the redemption price thereof), One Thousand Dollars (\$1,000), at its office or agency in the City of Chicago, Illinois, and semi-annually on the first day of June and on the first day of December in each year, to pay interest thereon at said office or agency, or at the office or agency of the Company in the Borough of Manhattan, The City of New York, at the rate of 3% per annum from the date hereof until the Company's obligation with respect to such principal sum shall be discharged, but, until maturity, only upon presentation and surrender of the annexed coupons as they become due. Both the principal of and the interest on this bond shall be payable in any coin or currency of the United States of America which at the time of payment shall be legal tender for the payment of public and private debts.

This bond is one of an issue of bonds of the Company, known as its First Mortgage Bonds, issued and to be issued in one or more series under and equally and ratably secured (except as any sinking, amortization, improvement or other fund, established in accordance with the provisions of the indenture hereinafter mentioned, may afford additional security for the bonds of any particular series) by a certain mortgage and deed of trust, dated as of September 1, 1944, made by the Company to Harris Trust and Savings Bank and The Joplin National Bank and Trust Company, as Trustees (hereinafter called the Trustees), and by that certain First Supplemental Indenture dated as of June 1, 1946, that certain Second Supplemental Indenture dated as of January 1, 1948, and that certain Third Supplemental Indenture dated as of December 1, 1950, each made by the Company to the Trustees (said mortgage and deed of trust and said indentures supplemental thereto being hereinafter collectively called the "Indenture"), to which Indenture (and to all indentures supplemental thereto) reference is hereby made for a description of the property mortgaged, the nature and extent of the security, the rights and limitations of rights of the Company, the Trustees, and the holders of said bonds and of the coupons appurtenant to coupon bonds, under the Indenture, and the terms and conditions upon which said bonds are secured, to all of the provisions of which Indenture and of all such supplemental indentures in respect of such security, including the provisions of the Indenture permitting the issue of bonds of any series for property which, under the restrictions and limitations therein specified, may be subject to liens prior to the lien of the Indenture, the

holder, by accepting this bond, assents. To the extent permitted by and as provided in the Indenture, the rights and obligations of the Company and of the holders of said bonds and coupons (including those pertaining to any sinking or other fund) may be changed and modified, with the consent of the Company, by the holders of at least 75% in aggregate principal amount of the bonds then outstanding, such percentage being determined as provided in the Indenture; *provided, however,* that without the consent of the holder hereof no such **modification or alteration** shall be made which will extend the time of payment of the principal of or the interest on this bond or reduce the principal amount hereof or the rate of interest hereon or effect any other modification of the terms of payment of such principal or interest or will permit the creation of any lien ranking prior to or on a parity with the lien of the Indenture on any of the mortgaged property, or will deprive any non-assenting bondholder of a lien upon the mortgaged property for the security of his bonds, or will reduce the percentage of bonds required for the aforesaid action under the Indenture. This bond is one of a series of bonds designated as the First Mortgage Bonds, 3% Series due 1980, of the Company.

The bonds of this series are subject to redemption at any time prior to maturity, upon not less than 30 nor more than 60 days' prior notice, in whole or in part, at the option of the Company, all as more fully provided in the Indenture, at the following percentages of the principal amounts thereof, during the respective twelve months' periods beginning December 1 in each of the following years:

together in each case with accrued and unpaid interest to the date fixed for redemption.

The bonds of this series are entitled to the benefit of the Sinking Fund provided for this series in the Indenture and, in the manner and to the extent provided in the Indenture, any one or more of the bonds of this series are subject to redemption through the operation of said Sinking Fund on June 1, 1954 and on each June 1 thereafter prior to maturity, upon similar notice, at the principal amount thereof, together with accrued and unpaid interest to the date fixed for redemption.

If this bond shall be called for redemption, and payment of the redemption price shall be duly provided by the Company as specified in the Indenture, interest shall cease to accrue hereon from and after the date of redemption fixed in the notice thereof.

The principal of this bond may be declared or may become due before the maturity hereof, on the conditions, in the manner and at the times set forth in the Indenture, upon the happening of a default as therein defined.

This bond shall pass by delivery unless the same shall have been registered as to principal in accordance with the provisions hereof. This bond may be registered as to principal in the owner's name on the books of the Company kept for such purpose by the Company at its office or agency in the City of Chicago, Illinois, such registry being noted hereon by the Company's registrar. After such registration no transfer hereof shall be valid unless made on the Company's books by the registered owner or by his attorney thereunto duly authorized and similarly noted hereon, but this bond may be discharged from registry by being transferred to bearer, after which it shall be transferable by delivery, but it shall be subject to successive registrations and transfers to bearer as before. Such registration, however, shall not affect the negotiability of the coupons, which shall always be payable to bearer and transferable by delivery. The Company and the Trustees and any paying agent may deem and treat the bearer of this bond, if it be not registered as to principal, and the bearer of any coupon hereunto appertaining, or if this bond be registered as herein authorized, the person in whose name the same is registered, as the absolute owner for the purpose of receiving payment and for all other purposes.

The holder of this bond, at his option, may surrender the same, alone or with other bonds of the same series and maturity, with all unmatured coupons attached thereto, at the above mentioned office or agency of the Company, for cancellation and exchange for one or more fully registered bonds without coupons, of the same aggregate principal amount and of the same series and maturity, which fully

registered bond or bonds without coupons may in turn be re-exchanged for a coupon bond or bonds of the same aggregate principal amount and of the same series and maturity, all as provided in the Indenture. Upon each such exchange and re-exchange the Company may require the payment of charges as in the Indenture prescribed.

No recourse under or upon any covenant or obligation of the Indenture, or of any bonds or coupons thereby secured, or for any claim based thereon, or otherwise in any manner in respect thereof, shall be had against any incorporator, subscriber to the capital stock, stockholder, officer or director, as such, of the Company, whether former, present or future, either directly, or indirectly through the Company or the Trustees or either of them, by the enforcement of any subscription to capital stock, assessment or otherwise, or by any legal or equitable proceeding by virtue of any statute or otherwise (including, without limiting the generality of the foregoing, any proceeding to enforce any claimed liability of stockholders of the Company based upon any theory of disregarding the corporate entity of the Company or upon any theory that the Company was acting as the agent or instrumentality of the stockholders), any and all such liability of incorporators, stockholders, subscribers, officers and directors, as such, being released by the holder hereof, by the acceptance of this bond, and being likewise waived and released by the terms of the Indenture under which this bond is issued.

Neither this bond nor any of the annexed interest coupons shall be valid or become obligatory for any purpose until the certificate of authentication endorsed hereon shall have been signed by Harris Trust and Savings Bank, or its successor as a Trustee under the Indenture.

IN WITNESS WHEREOF, THE EMPIRE DISTRICT ELECTRIC COMPANY has caused this bond to be signed in its name by its President or a Vice-President, and its corporate seal to be affixed hereto and attested by its Secretary or an Assistant Secretary, and interest coupons bearing the facsimile signature of its Treasurer to be annexed hereto, all as of December 1, 1950.

In any such case, the Company shall file with the Principal Trustee appropriate documents evidencing compliance with all such applicable provisions, *provided, however*, that in no such case shall the Company be required to deliver to the Principal Trustee any resolution or documents such as are described in *subdivisions (1), (2) and (6)* of § 3.06 of the Original Indenture, or any opinions with respect to the authorization of the issue of bonds by governmental authorities and by the Company and with respect to tax laws applicable to the issue of bonds, or to comply with any earnings requirements, or, unless the Principal Trustee shall so request, to comply with the requirements of the proviso in *subdivision (8)* of § 3.06 of the Original Indenture.

SECTION 8. In case any net property additions are utilized as a basis for credit under this Article, the property additions included therein shall forthwith become funded property (as defined in § 1.07 of the Original Indenture), and the engineer's certificate filed with the Principal Trustee pursuant to Section 7 of this Article shall be considered for the purposes of *Clause (A) of subdivision (3) of § 3.06* of the Original Indenture as if it had been filed pursuant to said *subdivision (3) of § 3.06* of the Original Indenture; *provided, however*, that any net property additions certified in such engineer's certificate in excess of the amount utilized for such credit may be added to and treated as part of the "unapplied balance of property additions" (as defined in § 1.05 of the Original Indenture) and be available for any purpose for which the "unapplied balance of property additions" is available under the Indenture, and for the purpose of a credit under this Article. Any certificate executed pursuant to the provisions of § 3.06 of the Original Indenture shall give effect to the provisions of this Section.

SECTION 9. It shall be the duty of the Principal Trustee to apply the cash paid to it under this Article for the account of the Sinking Fund (hereinafter called "Sinking Fund Cash") to the purchase or redemption of Bonds of the 1980 Series, at prices not exceeding the Sinking Fund Redemption Price. Such purchase or redemption shall be carried out as follows:

(a) If, on the date (hereinafter referred to as the "60 Day Determination Date") which is 60 days prior to the Sinking Fund Payment Date on which redemption is to be effected, all Bonds of the 1980 Series are registered Bonds of the 1980 Series without coupons and/or coupon Bonds of the 1980 Series registered as to principal, the Principal Trustee shall apply the Sinking Fund Cash to the redemption of Bonds of the 1980 Series pro rata among the registered owners of such Bonds of the 1980 Series in the ratio which the principal amount of such Bonds of the 1980 Series held by each registered owner on the 60 Day Determination Date bears to the total principal amount of Bonds of the 1980 Series outstanding on the 60 Day Determination

Date; *provided, however*, that the portion of the principal amount of each registered Bond of the 1980 Series to be redeemed shall be \$1,000 or a multiple thereof. The Principal Trustee in its uncontrolled discretion shall determine the pro rata allocation among the several registered owners of the principal amount of the Bonds of the 1980 Series to be then redeemed and shall promptly advise the Company as to the allocation so made by it.

Thereupon the Company shall give at least 30 days' notice of such redemption to all registered owners of the Bonds of the 1980 Series. Such notice shall be sufficiently given if mailed, postage prepaid, at least 30 days prior to the date upon which such redemption is to be made to all registered owners of Bonds of the 1980 Series at their addresses as the same shall appear on the Company's bond register for Bonds of the 1980 Series.

Such notice shall state (i) the date of redemption (which shall be the next succeeding Sinking Fund Payment Date), (ii) the place of redemption (which shall be the main office of the Principal Trustee in the City of Chicago, Illinois), (iii) the Sinking Fund Redemption Price, (iv) the numbers and principal amount of Bonds of the 1980 Series of each registered owner to be then redeemed in whole or in part and (v) that on the date fixed for redemption interest on such Bonds of the 1980 Series, or portion of Bonds of the 1980 Series to be redeemed, **shall cease.**

In case any registered Bond of the 1980 Series without coupons shall be redeemed in part only, said notice shall also specify (i) the principal amount thereof to be redeemed, and (ii) that, upon the presentation of such registered Bond of the 1980 Series for partial redemption, a new Bond or Bonds of the 1980 Series of an aggregate principal amount equal to the unredeemed portion of such registered Bonds of the 1980 Series will be issued in lieu thereof; and in such case the Company shall execute and the Principal Trustee shall authenticate and deliver to or upon the written order of the registered owner of any such registered Bond of the 1980 Series, at the expense of the Company, a Bond or Bonds of the 1980 Series in either coupon or registered form (but only in authorized denominations) for the

principal amount of the unredeemed portion of such registered Bond of the 1980 Series, or, at the option of the registered owner of such Bond of the 1980 Series, the Principal Trustee shall, upon presentation thereof for the purpose, make a notation thereon of the payment of the portion thereof so called for partial redemption.

In the event that after the 60 Day Determination Date, exchanges or transfers of the Bonds of the 1980 Series shall be made, the provisions of the last paragraph of *subdivision (b)* of this Section shall be applicable thereto.

(b) In the event that on the 60 Day Determination Date there are outstanding any Bonds of the 1980 Series which are unregistered coupon Bonds of the 1980 Series, the Principal Trustee shall apply to the purchase or redemption of such outstanding unregistered coupon Bonds of the 1980 Series a portion of the Sinking Fund Cash equal (so far as the Principal Trustee shall in its uncontrolled discretion determine is practicable) to the ratio which the principal amount of such unregistered coupon Bonds of the 1980 Series outstanding on such date bears to the total principal amount of Bonds of the 1980 Series outstanding on such date; and the Principal Trustee shall apply the balance of such Sinking Fund Cash to the redemption of registered Bonds of the 1980 Series without coupons and/or coupon Bonds of the 1980 Series registered as to principal, in accordance with the provision of *subdivision (a)* of this Section, pro rata among the registered holders of such Bonds of the 1980 Series in the ratio which the principal amount of Bonds of the 1980 Series held by each registered holder on the 60 Day Determination Date bears to the total principal amount of registered Bonds of the 1980 Series without coupons and/or coupon Bonds of the 1980 Series registered as to principal. The Principal Trustee shall promptly notify the Company of any determination made by it pursuant to this subdivision.

Thereafter, if exchanges of registered Bonds of the 1980 Series without coupons for coupon Bonds of the 1980 Series, or vice versa, or transfers of registered coupon Bonds of the 1980 Series to bearer, or vice versa, shall be made before the last date upon which written

proposals for the sale of Bonds of the 1980 Series may be received by the Principal Trustee as contemplated by *subdivision (c)* of this Section, the Principal Trustee, with the approval of the Company, evidenced by the written consent of the Company, may make such arrangements by endorsements on the Bonds of the 1980 Series involved or otherwise as it shall deem appropriate to allocate Sinking Fund Cash among the Bonds of the 1980 Series issued on any such exchange or transfer.

(c) In the event that on the 60 Day Determination Date there are outstanding any Bonds of the 1980 Series which are unregistered coupon Bonds of the 1980 Series, the Company may, prior to each Sinking Fund Payment Date, give notice to all holders of such unregistered coupon Bonds of the 1980 Series by publication two (2) times in one calendar week in at least one daily newspaper of general circulation regularly published in the English language in the City of Chicago, Illinois, and one daily newspaper of general circulation regularly published in the Borough of Manhattan, The City of New York (in each case upon any day of the week and in any such newspaper, but the first publication in each case to be not more than fifty-five (55) days and not less than fifty (50) days before such Sinking Fund Payment Date) of the intention of the Principal Trustee to apply Sinking Fund Cash to the purchase of an aggregate principal amount of unregistered coupon Bonds of the 1980 Series, specified in such notice (which aggregate principal amount shall be the aggregate principal amount of unregistered coupon Bonds of the 1980 Series to be retired pursuant to the provisions of *subdivision (b)* of this Section) and inviting proposals to be made to the Principal Trustee for the sale of such Bonds of the 1980 Series on the next succeeding Sinking Fund Payment Date in the principal amount specified in such notice at prices not to exceed the Sinking Fund Redemption Price. Proof of such publication shall be filed by the Company with the Principal Trustee.

The above notice shall state (i) that proposals shall be deemed to be made for all or any part of the Bonds of the 1980 Series offered, whether so expressed or not, (ii) the last date upon which such

written proposals shall be received by the Principal Trustee (which such last date shall be not less than forty (40) days prior to such Sinking Fund Payment Date), and (iii) the date when Bonds of the 1980 Series accepted for purchase by the Principal Trustee shall be delivered to the Principal Trustee against payment therefor, which date shall be the next succeeding Sinking Fund Payment Date.

From the unregistered coupon Bonds of the 1980 Series offered in response to such notice, the Principal Trustee shall, as agent for the Company, accept such Bonds of the 1980 Series as are offered at the price or prices deemed by it most favorable to the Company, not exceeding the Sinking Fund Redemption Price, up to an aggregate principal amount not exceeding the aggregate principal amount of unregistered coupon Bonds of the 1980 Series to be retired pursuant to the provisions of *subdivision (b)* of this Section. The Principal Trustee shall notify the Company of the principal amount of all such Bonds of the 1980 Series so accepted for purchase and the respective prices to be paid therefor including accrued interest, and on the next Sinking Fund Payment Date the Principal Trustee shall, provided the Company shall deposit with the Principal Trustee funds sufficient therefor, purchase such Bonds of the 1980 Series so accepted, upon presentation and surrender thereof to the Principal Trustee, at such respective prices.

If forty (40) days before the next Sinking Fund Payment Date there shall not have been offered in response to such notice and accepted, at prices not exceeding the Sinking Fund Redemption Price, unregistered coupon Bonds of the 1980 Series equal in aggregate principal amount to the aggregate principal amount of such unregistered coupon Bonds of the 1980 Series to be retired pursuant to the provisions of *subdivision (b)* of this Section, then in such event unregistered coupon Bonds of the 1980 Series equal in aggregate principal amount to the sum by which the aggregate principal amount so to be retired exceeds the total aggregate principal amount of Bonds of the 1980 Series so accepted shall be drawn by the Principal Trustee by lot in any manner deemed by the Principal Trustee to be fair and proper, and it shall forthwith give the Company notice to that effect specifying the numbers of the Bonds of the 1980 Series so drawn.

The Company, upon receipt of such notice from the Principal Trustee, shall forthwith give notice of intention to redeem such unregistered coupon Bonds of the 1980 Series by publication in at least one daily newspaper of general circulation regularly published in the English language in the City of Chicago, Illinois, and one daily paper of general circulation regularly published in the Borough of Manhattan, The City of New York, once a week for two (2) successive calendar weeks, in each case upon any day of the week and in any such newspaper, but the publication in the first calendar week to be made not less than thirty (30) and not more than thirty-five (35) days prior to the next succeeding Sinking Fund Payment Date. Such notice shall state (i) the date of redemption (which shall be the next succeeding Sinking Fund Payment Date), (ii) the place of redemption (which shall be the main office of the Principal Trustee in the City of Chicago, Illinois), (iii) the Sinking Fund Redemption Price, (iv) the numbers of the unregistered coupon Bonds of the 1980 Series to be redeemed and (v) that on the date fixed for redemption interest on such Bonds of the 1980 Series shall cease. Proof in form satisfactory to the Principal Trustee of the publication of such notice as hereinabove provided shall be furnished to the Principal Trustee by the Company on or before such Sinking Fund Payment Date.

Neither the failure to publish notice of the intention of the Company to redeem unregistered coupon Bonds of the 1980 Series as provided in this *subdivision (c)* of this Section nor any imperfection or defect in such notice shall affect the validity of the proceedings for redemption of the registered Bonds of the 1980 Series then being redeemed.

(d) In case the Company shall fail to give to the Principal Trustee evidence to its satisfaction that notice of call for redemption as in this Article provided will be given, the Principal Trustee may, at the expense of the Company, give such notice with the same effect as if such notice had been given by the Company as hereinbefore required.

(e) Subject to the provisions of Section 9(a) of this Article, all Bonds of the 1980 Series purchased, redeemed or retired under the provisions of this Article and the appurtenant coupons (if any) shall

forthwith be cancelled, and the Principal Trustee shall note on its records the fact of such cancellation and shall deliver the Bonds of the 1980 Series so cancelled to or upon the written order of the Company.

Bonds so purchased, redeemed or retired shall not thereafter, so long as any Bonds of the 1980 Series are outstanding, be made the basis for the issue of bonds, or the withdrawal of cash, or the taking of a credit under any of the provisions of the Indenture.

(f) Notice of redemption having been given in the manner hereinabove provided, the Bonds of the 1980 Series (or the specified portions of registered Bonds of the 1980 Series without coupons) so to be redeemed shall, on the Sinking Fund Payment Date designated in such notice, become due and payable at the Sinking Fund Redemption Price; and from and after such Sinking Fund Payment Date so designated interest on the Bonds of the 1980 Series so called for redemption (or in the case of a partial redemption of a registered Bond of the 1980 Series without coupons, on the portion thereof to be redeemed) shall cease to accrue, unless default shall be made by the Company in the payment of the Sinking Fund Redemption Price. All interest coupons, if any, appurtenant to the Bonds of the 1980 Series so called for redemption, maturing subsequent to the date so designated for redemption, shall be null and void, unless default shall be made by the Company in the payment of the Sinking Fund Redemption Price. In the case of a coupon Bond of the 1980 Series, the interest due on the date of redemption and the interest which shall have become due prior to the redemption date shall continue to be payable (but without interest thereon, unless the Company shall make default in the payment thereof upon demand) to the respective bearers of the coupons therefor, upon the presentation and surrender thereof.

#### **ARTICLE IV**

##### **Dividends and Similar Distributions and Other Covenants**

SECTION 1. The Company hereby covenants that, so long as any of the Bonds of the 3% Series due 1980 shall remain outstanding, the

covenants and agreements of the Company set forth in § 4.10 and § 4.11 of the Original Indenture shall be and remain in full force and effect, and be duly observed and complied with by the Company, irrespective of whether or not any First Mortgage Bonds, 3½% Series due 1969, shall then remain outstanding.

SECTION 2. The Company hereby covenants that, in case any amount shall be deducted, as the proceeds of the sale or taking by eminent domain, from the cost of any property in computing the amount of property retirements with respect to such property pursuant to the final clause of the definition of "property retirements" contained in § 1.05 of the Original Indenture, no amount so deducted shall be added pursuant to the provisions of *paragraph (B)* of the definition of "net property additions" contained in said Section in any computation of net property additions for any purpose under the Indenture.

SECTION 3. The Company hereby covenants that it will not file with the Principal Trustee, under the fifth paragraph from the end of § 4.10 or any other provision of the Indenture, any engineer's certificate of the character described in *subdivision (3)* of § 3.06 of the Original Indenture in which a computation of the amount of the available net property additions pursuant to *Clause (E)* of said *subdivision (3)* would result in a deficit figure.

SECTION 4. The Company hereby covenants that in computing the cost of any property additions for the purposes of *clause (a)* of *subdivision (1)* of § 8.11 of the Original Indenture and in computing, for the purposes of *subparagraph (C)(4)* of § 8.03 thereof, the fair value of any property additions constituting all or part of the consideration for property to be released, there shall in every case be deducted an amount equal to one hundred sixty-six and two-thirds per centum (166⅔%) of the principal amount of any outstanding prior lien bonds which are secured by a lien on such property additions and have not theretofore been deducted in computing the amount of net property additions which have been funded.

SECTION 5. The Company hereby covenants that, so long as any Bonds of the 3% Series due 1980 are outstanding, no bonds of any other series which have been purchased, redeemed or retired through the operation of, or have been made the basis of a credit under, any sinking, maintenance, improvement or other fund applicable to the bonds of such other series shall be made the basis for the issue of bonds or the withdrawal of cash or the taking of a credit under any of the provisions of the Indenture.
