[FORM OF BOND]

[REVERSE]

This bond is one of an issue of bonds of the Company, known as its First Mortgage Bonds, issued and to be issued in one or more series under and equally and ratably secured (except as any sinking, amortization, improvement or other fund, established in accordance with the provisions of the indenture hereinafter mentioned, may afford additional security for the bonds of any particular series) by a certain mortgage and deed of trust, dated as of September 1, 1944, made by the Company to Harris Trust and Savings Bank and The Joplin National Bank and Trust Company (now First National Bank of Joplin), as Trustees (hereinafter called the "Trustees"), and certain indentures supplemental thereto, including a Third Supplemental Indenture, a Sixth Supplemental Indenture, a Seventh Supplemental Indenture and an Eighth Supplemental Indenture (dated respectively as of December 1, 1950, February 1, 1968, April 1, 1969 and May 1, 1970) made by the Company to the Trustees (said mortgage and deed of trust and all indentures supplemental thereto being hereinafter collectively called the "Indenture"), to which Indenture reference is hereby made for a description of the property mortgaged, the nature and extent of the security, the rights and limitations of rights of the Company, the Trustees, and the holders of said bonds, and the terms and conditions upon which said bonds are secured, to all of the provisions of which Indenture, including the provisions permitting the issuance of bonds of any series for property which, under the restrictions and limitations therein specified, may be subject to liens prior to the lien of the Indenture, the holder, by accepting this bond, assents. To the extent permitted by and as provided in the Indenture, the rights and obligations of the Company and of the holders of said bonds (including those pertaining to any sinking and improvement or other fund) may be changed and modified, with the consent of the Company, by the holders of at least 75% in aggregate principal amount of the bonds then outstanding, such percentage being determined as provided in the Indenture; *provided, however*, that without the consent of the holder hereof no such modification or alteration shall be made which will extend the time of payment of the principal of or the interest on this bond or reduce the principal amount hereof or the rate of interest hereon or effect any other modification of the terms of payment of

such principal or interest or will permit the creation of any lien ranking prior to or on a parity with the lien of the Indenture on any of the mortgaged property, or will deprive any non-assenting bondholder of a lien upon the mortgaged property for the security of his bonds, or will reduce the percentage of bonds required for the aforesaid action under the Indenture. This bond is one of a series of bonds designated as the First Mortgage Bonds, 9½% Series due 2000, of the Company.

The bonds of this series are subject to redemption prior to maturity, upon not less than 30 nor more than 60 days' prior notice, all as more fully provided in the Indenture, (a) through the operation of the Sinking Fund provided for this series in the Indenture, on May 1, 1973 and on each May 1 thereafter prior to maturity, at the principal amount thereof, together with accrued interest to the date fixed for redemption, and (b) at the option of the Company, at any time as a whole or from time to time in part, at the principal amount thereof, with accrued interest to the date fixed for redemption and the applicable premium (expressed as a percentage of the principal amount) set forth in the table below under the heading "Optional Redemption Premium":

; *provided, however*, that (a) no bonds of this series may be redeemed, by operation of the Sinking Fund or otherwise, prior to May 1, 1975, directly or indirectly as a part of, or in anticipation of, any refunding operation involving the incurring of indebtedness having an interest rate or cost (calculated in accordance with accepted financial practice) lower than the interest rate per annum specified in the title hereof, and (b) any redemption of the Bonds of the 2000 Series at the option of the Company on or after May 1, 1975, and prior to May 1, 1980, made directly or indirectly as a part of, or in anticipation of, any refunding operation involving the incurring of indebtedness having an interest rate or cost (calculated in accordance with accepted financial practice) lower than the interest rate per annum specified in the title hereof will be at a redemption price of 115% of the principal amount of the Bonds redeemed plus accrued interest to the date fixed for redemption.

If this bond shall be called for redemption in whole or in part, and payment of the redemption price shall be duly provided by the Company as specified in the Indenture, interest shall cease to accrue hereon (or on the portion hereof to be redeemed) from and after the date of redemption fixed in the notice thereof.

The principal of this bond may be declared or may become due before the maturity hereof, on the conditions, in the manner and at the times set forth in the Indenture, upon the happening of a default as therein defined.

This bond is transferable by the registered owner hereof in person or by his duly authorized attorney at the office or agency of the Company in the City of Chicago, Illinois, upon surrender and cancellation of this bond, and thereupon a new bond of this series, for a like principal amount, will be issued to the transferee in exchange therefor, as provided in the Indenture. If this bond is transferred or exchanged between a record date, as defined in the aforementioned Eighth Supplemental Indenture, dated as of May 1, 1970, and the interest payment date in respect thereof, the new bond or bonds will bear interest from such interest payment date unless the interest payable on such date is not duly paid or provided for on such date. The Company and the Trustees and any paying agent may deem and treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes. This

bond, alone or with other bonds of this series, may in like manner be exchanged at such office or agency for one or more new bonds of this series in authorized denominations, of the same aggregate principal amount, all as provided in the Indenture. Upon each such transfer or exchange the Company may require the payment of any stamp or other tax or governmental charge incident thereto.

No recourse under or upon any covenant or obligation of the Indenture, or of any bonds thereby secured, or for any claim based thereon, or otherwise in any manner in respect thereof, shall be had against any incorporator, subscriber to the capital stock, stockholder, officer or director, as such, of the Company, whether former, present or future, either directly, or indirectly through the Company or the Trustees or either of them, by the enforcement of any subscription to capital stock, assessment or otherwise, or by any legal or equitable proceeding by virtue of any statute or otherwise (including, without limiting the generality of the foregoing, any proceeding to enforce any claimed liability of stockholders of the Company based upon any theory of disregarding the corporate entity of the Company or upon any theory that the Company was acting as the agent or instrumentality of the stockholders), any and all such liability of incorporators, stockholders, subscribers, officers and directors, as such, being released by the holder hereof, by the acceptance of this bond, and being likewise waived and released by the terms of the Indenture under which this bond is issued.

Trustee of Bonds of the 2000 Series theretofore acquired by the Company, subject to compliance with paragraph (c) of this Section 3, and each such Bond shall be received by the Principal Trustee in lieu of cash in an amount equal to the Sinking Fund Redemption Price of such Bond or (ii) utilizing as a credit any net property additions which might otherwise be made the basis for the authentication and delivery of bonds under the provisions of *Article 3* of the Original Indenture and which the Company elects to make the basis of a credit under this Article. Such net property additions shall be accepted by the Principal Trustee in lieu of cash in an amount equal to 60% of the amount of such net property additions.

(b) The Company shall also have the right at any time and from time to time to anticipate payment of all or any part of any one or more Sinking Fund payments (but not, in respect of any particular Sinking Fund payment, after the delivery to the Principal Trustee of the statement of the Company required by Section 6 of this Article) and to receive a credit on its obligations under this Article, to the extent of the Sinking Fund Redemption Price in respect of

(1) any Bonds of the 2000 Series theretofore acquired by the Company and then or theretofore delivered by it to the Principal Trustee for cancellation, or

(2) any Bonds of the 2000 Series previously redeemed, or called for redemption, and no longer outstanding,

(c) No Bond shall be made the basis of a credit under this Article upon any Sinking Fund payment or anticipated payment (i) if such Bond shall have been acquired, retired, redeemed or called for redemption by operation of the Sinking Fund or any maintenance, improvement or other fund under the Indenture or by the use of the proceeds of

insurance on, or of the release or other disposition of, any funded property or by use as provided in § 3.10 of any cash deposited under § 3.08 of the Original Indenture or (ii) if the acquisition, retirement, redemption or call for redemption of such Bond has theretofore been made the basis for the issue of any bond or the withdrawal of cash or the taking of a credit under any of the provisions of the Indenture.

SECTION 4. All cash paid by the Company to the Principal Trustee pursuant to the provisions of this Article shall be applied to the redemption of Bonds of the 2000 Series as provided in this Article.

SECTION 5. The Sinking Fund Redemption Price applicable to Bonds of the 2000 Series to be retired under the provisions of this Article shall be the principal amount thereof together with accrued interest to the redemption date (herein referred to as the "Sinking Fund Redemption Price").

SECTION 6. The Company will at least sixty (60) days prior to each Sinking Fund Payment Date (except in a case where the Sinking Fund Payment due on such date shall have been anticipated in full pursuant to Section 3(b) of this Article) deliver a statement of the Company to the Principal Trustee stating (i) the aggregate principal amount and serial numbers of Bonds of the 2000 Series acquired by the Company which it intends to deliver to the Principal Trustee on such Sinking Fund Payment Date pursuant to Section 3(a)(i) of this Article on account of such Sinking Fund obligation (or on account of all or any part of the unanticipated balance thereof) and otherwise showing compliance with said Section 3(a)(i), and (ii) the amount of net property additions which the Company intends to use as a credit to such Sinking Fund obligation pursuant to Section 3(a)(ii) of this Article.

SECTION 7. In case credit under this Article is taken in whole or in part on the basis of net property additions, the Company shall comply with all provisions of the Indenture which would be applicable if such net property additions were made the basis of an application for the authentication of bonds as provided in §3.04 of the Original Indenture except as hereinafter in this Section provided.

In any such case, the Company shall file with the Principal Trustee appropriate documents evidencing compliance with all such applicable provisions; *provided, however*, that in no such case shall the Company be required to deliver to the Principal Trustee any resolution or documents such as are described in *subdivisions (1), (2) and (6)* of § 3.06 of the Original Indenture, or any opinions with respect to the authorization of the issuance of bonds by governmental authorities and by the Company and with respect to tax laws applicable to the issuance of bonds, or to comply with any earnings requirements, or, unless the Principal Trustee shall so request, to comply with the requirements of the proviso in *subdivision (8)* of § 3.06 of the Original Indenture.

SECTION 8. In case any net property additions shall be utilized as a basis for credit under this Article, the property additions included therein shall forthwith become funded property (as defined in § 1.07 of the Original Indenture), and the engineer's certificate filed with the Principal Trustee pursuant to Section 7 of this Article shall be considered as though it had been filed pursuant to *subdivision (3)* of § 3.06 of the Original Indenture for the purposes of *Clause (A)* of said *subdivision (3)*; *provided, however*, that any net property additions certified in such engineer's certificate in excess of the amount utilized for such credit may be added to, and treated as part of, the "unapplied balance of property additions" (as defined in § 1.05 of the Original Indenture) and be available for any purpose for which the "unapplied balance of property additions" is available under the Indenture, and for the purpose of a credit under this Article. Any certificate executed pursuant to the provisions of § 3.06 of the Original Indenture shall give effect to the provisions of this Section.

SECTION 9. On each Sinking Fund Payment Date, it shall be the duty of the Principal Trustee to apply the cash paid to it under this Article for the account of the Sinking Fund (hereinafter called "Sinking Fund Cash") to the redemption of Bonds of the 2000 Series at the Sinking Fund Redemption Price. Such redemption, including the selection of the Bonds or portions thereof to be redeemed, shall be carried out in the manner provided in *Article 5* of the Original Indenture, and the portion of any Bond of the 2000 Series to be redeemed shall be \$1,000 or a multiple thereof.

Each notice of redemption shall state (i) the date of redemption (which shall be the next succeeding Sinking Fund Payment Date), (ii) the place of redemption (which shall be the main office of the Principal Trustee in the City of Chicago, Illinois), (iii) the Sinking Fund Redemption Price, (iv) the numbers and principal amount of Bonds of the 2000 Series of each owner to be then redeemed in whole or in part and (v) that on the date fixed for redemption interest on such Bonds of the 2000 Series, or portion of Bonds of the 2000 Series to be redeemed, shall cease.

In case any Bond of the 2000 Series shall be redeemed in part only, said notice shall also specify (i) the principal amount thereof to be redeemed and (ii) that, upon the presentation of such Bond of the 2000 Series for partial redemption, a new Bond or Bonds of the 2000 Series of an aggregate principal amount equal to the unredeemed portion of such Bond of the 2000 Series will be issued in lieu thereof; and in such case the Company shall execute, and the Principal Trustee shall authenticate and deliver to or upon the written order of the owner of any such Bond of the 2000 Series, at the expense of the Company, a Bond or Bonds of the 2000 Series (but only in authorized denominations) for the principal amount of the unredeemed portion of such Bond of the 2000 Series or, at the option of the owner of such Bond, the Principal Trustee shall, upon presentation thereof for the purpose, make a notation thereon of the payment of the portion thereof so called for partial redemption.

In case the Company shall fail to give to the Principal Trustee evidence to its satisfaction that notice of redemption as in this Article provided will be given, the Principal Trustee may, at the expense of the Company, give such notice with the same effect as if such notice had been given by the Company as hereinbefore required.

Notice of redemption having been given in the manner hereinabove provided, the Bonds of the 2000 Series (or the specified portions thereof) so to be redeemed shall, on the Sinking Fund Payment Date designated in such notice, become due and payable at the Sinking Fund Redemption Price; and from and after such Sinking Fund Payment Date so designated, interest on the Bonds of the 2000 Series so called for redemption (or in the case of a partial redemption, on the portion thereof to be redeemed) shall cease to accrue, unless default

shall be made by the Company in the payment of the Sinking Fund Redemption Price.

All Bonds of the 2000 Series redeemed or retired under the provisions of this Article shall forthwith be cancelled, and the Principal Trustee shall note on its records the fact of such cancellation and shall deliver the Bonds of the 2000 Series so cancelled to or upon the written order of the Company.

ARTICLE IV.

SECTION 2. The Company hereby covenants that, so long as any Bonds of the 2000 Series are outstanding, no Bonds of the 2000 Series which have been purchased, redeemed or retired through the operation of, or have been made the basis of a credit under, the Sinking and Improvement Fund or any maintenance or other fund applicable to the Bonds of the 2000 Series shall be made the basis for the authentication and delivery of bonds or the withdrawal of cash or the taking of a credit under any of the provisions of the Indenture.

ARTICLE V.

The Trustees.

The Trustees accept the trusts created by this Supplemental Indenture upon the terms and conditions hereof and agree to perform such trusts upon the terms and conditions set forth in the Original Indenture as heretofore supplemented and in this Supplemental Indenture set forth. In general, each and every term and condition contained in *Article 13* of the Original Indenture shall apply to this Supplemental Indenture with the same force and effect as if the same were herein set

ARTICLE VI.

Miscellaneous Provisions.

SECTION 3. The Original Indenture as heretofore and hereby supplemented and amended is in all respects ratified and confirmed; and the Original Indenture, this Supplemental Indenture and all other indentures supplemental to the Original Indenture shall be read, taken and construed as one and the same instrument. Neither the execution of this Supplemental Indenture nor anything herein contained shall be

construed to impair the lien of the Original Indenture as heretofore supplemented on any of the property subject thereto, and such lien shall remain in full force and effect as security for all bonds now outstanding or hereafter issued under the Indenture. All terms defined in Article 1 of the Original Indenture, as heretofore supplemented, for all purposes of this Supplemental Indenture, shall have the meanings therein specified, unless the context otherwise requires.
