SECURITY AGREEMENT

This SECURITY AGREEMENT (“Agreement”) is made and entered into as of September 27, 2013, by and among **RAIL CONNECTION, INC.**, a West Virginia corporation (“Borrower”) and **MVB BANK, INC.**, a West Virginia banking corporation (“Lender”).

WITNESSETH:

WHEREAS, Borrower is party to a Loan Agreement by and among Borrower and Lender of even date herewith (the “Loan Agreement”), pursuant to which Lender agreed to make a term loan to the Borrower under a Promissory Note in the amount of \$4,000,000.00 (the “Note”); and

WHEREAS, Lender is unwilling to extend credit to the Borrower without Borrower’s grant of a security interest in certain property identified herein, and Borrower has agreed to grant such a security interest pursuant to this Agreement;

NOW, THEREFORE, for value received and to induce Lender to make the Loan to the Borrowers pursuant to the Loan Agreement and other loans or financial accommodations extended by Assignee to Assignor or any of its affiliates, the undersigned Borrower, with the intent of being legally bound hereby, agrees as follows:

1. **DEFINITIONS.** Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed thereto in the Loan Agreement of even date herewith. Terms not otherwise defined in this Agreement or the Loan Agreement shall have the meanings attributed to such terms in the Uniform Commercial Code. All references to dollar amounts shall mean amounts in lawful money of the United States of America.

2. **GRANT OF SECURITY INTEREST.** As collateral security for (i) the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of all of the obligations of the Borrowers under the Note, the other Loan Documents, and any other documents related to loans or financial accommodations extended by Assignee to Assignor or any of its affiliates and (ii) the due and punctual payment and performance of Borrower’s obligations and liabilities under, arising out of, or in connection with this Agreement including, without limitation, any taxes and expenses payable pursuant hereto (all of the foregoing are collectively the “Indebtedness”), Borrower hereby grants Lender a first priority security interest, and hereby assigns, conveys, delivers, pledges, and transfers all of Borrower’s right, title and interest, in and to the following, whether now existing or hereafter arising, and wherever located (the “Collateral”):

a. Two-Hundred and Two (202) 52’ mill gondolas, 2,500 cubic capacity, 5’ sided, AAR Type Code E534 identified on Schedule #1 hereto (the “Railcars”);

b. All right, title and interest in and to any lease of the Railcars (including the lease supplements thereto), all payments due or to become due thereunder, and all rights to give consents, make elections, give or receive notices, give approvals and to exercise all rights, powers, and remedies arising out of any event of default under any such lease;

c. All accessions, attachments, and accessories to any of the property described herein, whether added now or later;

d. All increases, and additions to and all replacements of and substitutions for any property described herein;

e. All products and produce of any of the property described herein;

f. All Accounts, General Intangibles, Instruments, Payment Intangibles, rents, monies, payments, and all other rights, arising out of a sale, lease, or other disposition of any of the property described herein;

g. All Proceeds (including insurance proceeds) from the sale or other disposition of any of the property described herein; and

h. All present and future records and data relating to any of the property described herein, whether in the form of a writing, photograph, microfilm, microfiche, or electronic media, together with all of Borrower's right, title, and interest in and to all computer software required to utilize, create, maintain, and process any such records or data on electronic media.

3. **OBLIGATIONS OF BORROWER.** Borrower warrants and covenants to Lender as follows:

a. **Perfection of Security Interest.** Borrower agrees to and authorizes Lender to execute and file financing statements or fixture filings and to take whatever other actions are requested or desired by Lender to perfect and continue Lender's security interest in the Collateral. Upon request of Lender, Borrower will deliver to Lender any and all of the documents evidencing or constituting the Collateral. Borrower hereby appoints Lender and any of its authorized loan officers as its irrevocable attorney-in-fact for the purpose of executing any documents necessary to perfect or to continue the security interest granted in this Agreement. Lender may at any time, and without further authorization from Borrower, file a carbon, photographic or other reproduction of any financing statement or of this Agreement for use as a financing statement. Borrower will reimburse Lender for all expenses for the perfection and the continuation of the perfection of Lender's security interest in the Collateral. Borrower promptly will notify Lender before any change in Borrower's name including any change to the assumed business names of Borrower.

b. **No Violation.** The execution and delivery of this Agreement will not violate any law or agreement governing Borrower or to which Borrower is a party, and its certificate or articles of incorporation and bylaws do not prohibit any term or condition of this Agreement.

c. **Enforceability of Collateral.** To the extent the Collateral consists of accounts, chattel paper or general intangibles, the Collateral is enforceable in accordance with its terms, is genuine, and complies with applicable laws concerning form, content and manner of preparation and execution, and all persons appearing to be obligated on the Collateral have authority and capacity to contract and are in fact obligated as they appear to be on the Collateral. At the time any account becomes subject to a security interest in favor of Lender, the account shall be a good and valid account representing an undisputed, bona fide indebtedness incurred by the account debtor, for merchandise held subject to delivery instructions or theretofore shipped or delivered pursuant to a contract of sale, or for services theretofore performed by Borrower with or for the account debtor; there shall be no setoffs or counterclaims against any such account; and no agreement under which any deductions or discounts may be claimed shall have been made with the account debtor except those made by Borrower in the ordinary course of its business or disclosed to Lender in writing.

d. **Location of the Collateral.** Borrower, upon request of Lender, will deliver to Lender in form satisfactory to Lender a schedule of the locations of the Collateral.

e. **Removal of Collateral.** Borrower shall keep the Collateral (or to the extent the Collateral consists of intangible property such as accounts, the records concerning the Collateral) at Borrower's address shown above, or at such other locations as agreed to in writing by Lender. Except in the ordinary course of its business, Borrower shall not remove the Collateral from its existing locations without the prior written consent of Lender.

f. **Transactions Involving Collateral.** Except for accounts collected in the ordinary course of Borrower's business, Borrower shall not sell, offer to sell, or otherwise transfer or dispose of the Collateral. Borrower shall not pledge, mortgage, encumber or otherwise permit the Collateral to be subject to any lien, security interest, encumbrance, or charge, other than the security interest provided for in this Agreement without the prior written consent of Lender. This includes security interests even if junior in right to the security interests granted under this Agreement. Unless waived by Lender, all proceeds from any disposition of the Collateral (for whatever reason) shall be held in trust for Lender and shall not be commingled with any other funds; provided however, this requirement shall not constitute consent by Lender to any sale or other disposition. Upon receipt, Borrower shall immediately deliver any such proceeds to Lender.

g. **Title.** Borrower represents and warrants to Lender that it holds good and marketable title to the Collateral, free and clear of all liens and encumbrances except for the lien of this Agreement. No financing statement covering any of the Collateral is on file in any public office other than those which reflect the security interest created by this Agreement. Borrower shall defend Lender's rights in the Collateral against the claims and demands of all other persons.

h. **Collateral Schedules and Locations.** As often as Lender shall reasonably require, and insofar as the Collateral consists of accounts and general intangibles, Borrower shall deliver to Lender schedules of such Collateral, including such information as Lender may reasonably require, including without limitation names and addresses of account debtors and agings of accounts. Insofar as the Collateral consists of inventory, Borrower shall deliver to Lender, as often as Lender shall reasonably require, such lists, descriptions, and designations of such Collateral as Lender may require to identify the nature, extent, and location of such Collateral. Such information shall be submitted for Borrower and each of its subsidiaries or related companies.

i. **Maintenance and Inspection of Collateral.** Borrower shall maintain all tangible Collateral, if any, in good condition and repair. Borrower will not commit or permit damage to or destruction of the Collateral or any part of the Collateral. Lender and its designated representatives and agents shall have the right at all reasonable times to examine, inspect, and audit the Collateral wherever located. Borrower shall immediately notify Lender of all cases involving the return, rejection, repossession, loss or damage of or to any Collateral; of any request for credit or adjustment or of any other dispute arising with respect to the Collateral; and generally of all happenings and events affecting the Collateral or the value or the amount of the Collateral; provided, however, that the reporting required thereby shall apply only when the value of the Collateral at issue is equal to or greater than Twenty Five Thousand Dollars and No Cents (\$25,000.00).

j. **Insurance.** Borrower shall maintain fire and other risk insurance on all of the Collateral including, without limitation, any certificated motor vehicles in form, amounts, coverage and with insurance companies reasonably acceptable to Lender. Said insurance need only be in coverages or amounts necessary to protect Lender's interests in said properties. Borrower shall not be required to insure for amounts in excess of Lender's interest or for risks that are not generally identified for the types of businesses and locations of buildings owned and operated by Borrower. On an annual basis and upon any changes in coverages or carriers, Borrower shall deliver to Lender the policies or certificates of insurance in form reasonably satisfactory to Lender, including, if available without substantial additional cost to Borrower, stipulations that coverages will not be canceled or diminished without at least thirty (30) days' prior written notice to Lender. Borrower shall use good faith efforts to obtain an endorsement for each insurance policy providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Borrower or any other person. In connection with all policies covering assets in which Lender holds or is offered a Security Interest for the

Loan, Borrower will provide Lender with such loss payable or other endorsements as Lender may require.

k. **Taxes, Assessments and Liens.** Borrower will pay when due all taxes, assessments and liens upon the Collateral, its use or operation, upon this Agreement, upon any promissory note or notes evidencing the Indebtedness, or upon any of the other Loan Documents. Borrower may withhold any such payment or may elect to contest any lien if Borrower is in good faith conducting an appropriate proceeding to contest the obligation to pay and so long as Lender's interest in the Collateral is not jeopardized in Lender's sole opinion. If the Collateral is subjected to a lien which is not discharged within fifteen (15) days, Borrower shall deposit with Lender cash, a sufficient corporate surety bond or other security satisfactory to Lender in an amount adequate to provide for the discharge of the lien plus any interest, costs, attorneys' fees or other charges that could accrue as a result of foreclosure or sale of the Collateral. In any contest Borrower shall defend itself and Lender and shall satisfy any final adverse judgment before enforcement against the Collateral. Borrower shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

l. **Compliance with Governmental Requirements.** Borrower shall comply promptly with all laws, ordinances, rules and regulations of all governmental authorities, now or hereafter in effect, applicable to the ownership, production, disposition, or use of the Collateral. Borrower may contest in good faith any such law, ordinance or regulation and withhold compliance during any proceeding, including appropriate appeals, as long as Lender's interest in the Collateral, in Lender's opinion, is not jeopardized.

m. **Principal Place of Business.** The principal place of business and chief executive office of Borrower is as set forth in Section 9(e) hereof. Borrower shall advise the Lender, within thirty (30) days, of any new facts which, under applicable provisions of the law, would affect the priority of the security interest granted to the Lender by this instrument. Upon default, the Lender may at any time in its discretion notify all obligees on accounts to make payments thereon directly to the Lender.

4. **MAINTENANCE OF PRIORITY OF PLEDGE.** Borrower shall be liable for and shall from time to time pay and discharge all taxes, assessments and governmental charges imposed upon the Collateral by any federal, state or local authority, the liens, of which would or might be held prior to the right of Lender in and to the Collateral. Borrower will not, at any time while this Agreement is in effect, do or suffer any act or thing whereby the rights of Lender in the Collateral would or might be impaired. Borrower shall execute and deliver such further documents and take such further actions as may be reasonably required to confirm the rights of Lender in and to the Collateral or otherwise to effectuate the intention of this Security Agreement.

5. **RIGHT TO POSSESSION.** Until default and except as otherwise provided below, Borrower may have possession of the tangible personal property and beneficial

use of all the Collateral and may use it in any lawful manner not inconsistent with this Agreement or the Loan Documents, provided that Borrower's right to possession and beneficial use shall not apply to any Collateral where possession of the Collateral by Lender is required by law to perfect Lender's security interest in such Collateral or is one method of perfection of its interest in the Collateral. If Lender at any time has possession of any Collateral, whether before or after an Event of Default, Lender shall be deemed to have exercised reasonable care in the custody and preservation of the Collateral if Lender takes such action for that purpose as Borrower shall request or as Lender, in Lender's sole discretion, shall deem appropriate under the circumstances, but failure to honor any request by Borrower shall not of itself be deemed to be a failure to exercise reasonable care. Lender shall not be required to take any steps necessary to preserve any rights in the Collateral against prior parties, nor to protect, preserve or maintain any security interest given to secure the Indebtedness.

6. **EXPENDITURES BY LENDER.** If not discharged or paid when due, Lender may (but shall not be obligated to) discharge or pay any amounts required to be discharged or paid by Borrower under this Agreement, including without limitation all taxes, liens, security interests, encumbrances, and other claims, at any time levied or placed on the Collateral. Lender also may (but shall not be obligated to) pay all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Notes from the date incurred or paid by Lender to the date of repayment by Borrower. All such expenses shall become a part of the Indebtedness and, at Lender's option, will (a) be payable on demand, (b) be added to the balance of the Notes and be apportioned among and be payable with any installment payments to become due during either (i) the term of any applicable insurance policy or (ii) the remaining term of the Notes, or (c) be treated as a balloon payment which will be due and payable at the Notes' maturity. This Agreement also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of an Event of Default.

7. **EVENTS OF DEFAULT.** The following shall constitute an Event of Default under this Agreement:

- a. Failure of Borrower to keep any written promise Borrower has made to Lender;
- b. Failure of Borrower to comply with or to perform when due any other term, obligation, covenant or condition contained in this Agreement or in any of the Loan Documents;
- c. Failure of Borrower to comply with or to perform any other material term, obligation, covenant or condition contained in any other agreement between Lender and Borrower; or
- d. The occurrence of any Event of Default under the Loan Agreement or any other agreement or Loan Document.

8. **RIGHTS AND REMEDIES ON DEFAULT.** If an Event of Default occurs under this Agreement, at any time thereafter, Lender shall have all the rights of a secured party under the West Virginia Uniform Commercial Code. In addition and without limitation, Lender may exercise any one or more of the following rights and remedies:

a. **Accelerate Indebtedness.** Lender may declare the entire Indebtedness, including any prepayment penalty which Borrower would be required to pay, immediately due and payable, without notice.

b. **Assemble Collateral.** If applicable, Lender may require Borrower to deliver to Lender all or any portion of the Collateral and any and all certificates of title and other documents relating to the Collateral. Lender may require Borrower to assemble the Collateral, if applicable, and make it available to Lender at a place to be designated by Lender. Lender also shall have full power to enter upon the property of Borrower to take possession of and remove the Collateral. If the Collateral contains other goods not covered by this Agreement at the time of repossession, Borrower agrees Lender may take such other goods, provided that Lender makes reasonable efforts to return them to Borrower after repossession.

c. **Sell the Collateral.** Lender shall have full power to sell, lease, transfer, or otherwise deal with the Collateral or proceeds thereof in its own name or that of Borrower. Lender may sell the Collateral at public auction or private sale. Unless the Collateral threatens to decline speedily in value or is of a type customarily sold on a recognized market, Lender will give Borrower reasonable notice of the time after which any private sale or any other intended disposition of the Collateral is to be made. The requirements of reasonable notice shall be met if such notice is given at least ten (10) days before the time of the sale or disposition. All expenses relating to the disposition of the Collateral, including without limitation the expenses of retaking, holding, insuring, preparing for sale and selling the Collateral, shall become a part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the rate applicable to the Note from date of expenditure until repaid.

d. **Appoint Receiver.** To the extent permitted by applicable law, Lender shall have the following rights and remedies regarding the appointment of a receiver: (i) Lender may have a receiver appointed as a matter of right, (ii) the receiver may be an employee of Lender and may serve without bond, and (iii) all fees of the receiver and his or her attorney shall become part of the Indebtedness secured by this Agreement and shall be payable on demand, with interest at the rate applicable to the Note from date of expenditure until repaid.

e. **Collect Revenues, Apply Accounts.** Lender, either itself or through a receiver, may collect the payments, rents, income, and revenues from the Collateral. Lender may at any time in its discretion transfer any Collateral into its own name or that of its nominee and receive the payments, rents, income, and revenues

therefrom and hold the same as security for the Indebtedness or apply it to payment of the Indebtedness in such order of preference as Lender may determine. Insofar as the Collateral consists of accounts, health care insurance receivables, general intangibles, insurance policies, instruments, chattel paper, choses in action, or similar property, Lender may demand, collect, receipt for, settle, compromise, adjust, sue for, foreclose, or realize on the Collateral as Lender may determine, whether or not Indebtedness or Collateral is then due. For these purposes, Lender may, on behalf of and in the name of Borrower, receive, open and dispose of mail addressed to Borrower; change any address to which mail and payments are to be sent; and endorse notes, checks, drafts, money orders, documents of title, instruments and items pertaining to payment, shipment, or storage of any Collateral. To facilitate collection, Lender may notify account debtors and obligors on any Collateral to make payments directly to Lender. The rights and remedies granted to Lender in this paragraph are in addition to and in no way limit the rights and duties of the parties set forth in the paragraphs above titled "Right to Possession" and "Collection of Accounts."

f. **Obtain Deficiency.** If Lender chooses to sell any or all of the Collateral, Lender may obtain a judgment against Borrower for any deficiency remaining on the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this Agreement. Borrower shall be liable for a deficiency even if the transaction described in this subsection is a sale of accounts or chattel paper.

g. **Other Rights and Remedies.** Lender shall have all the rights and remedies of a secured creditor under the provisions of the Uniform Commercial Code, as may be amended from time to time. In addition, Lender shall have and may exercise any or all other rights and remedies it may have available at law, in equity, or otherwise.

h. **Cumulative Remedies.** All of Lender's rights and remedies, whether evidenced by this Agreement or the Loan Documents or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Borrower under this Agreement, after Borrower's failure to perform, shall not affect Lender's right to declare a default and to exercise its remedies.

9. **MISCELLANEOUS PROVISIONS.** The following miscellaneous provisions are a part of this Agreement:

a. **Amendments.** This Agreement, together with any Loan Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement. No alteration of or amendment to this Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

b. **Applicable Law.** This Agreement has been delivered to Lender and accepted by Lender in the State of West Virginia. If there is a lawsuit, Borrower agrees upon Lender's request to submit to the jurisdiction of the courts of the State of West Virginia and venue in Kanawha County, West Virginia. This Agreement shall be governed by and construed in accordance with the laws of the State of West Virginia without regard to conflict of laws principles.

c. **Attorneys' Fees; Expenses.** Borrower agrees to pay upon demand all of Lender's reasonable costs and expenses, including reasonable attorneys' fees and Lender's legal expenses, incurred in connection with the enforcement of this Agreement. Lender may pay someone else to help enforce this Agreement, and Borrower shall pay the reasonable costs and expenses of such enforcement. Costs and expenses include Lender's reasonable attorneys' fees and legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and legal expenses for bankruptcy proceedings (and including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services. Borrower also shall pay all court costs and such additional fees as may be directed by the court.

d. **Caption Headings.** Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

e. **Notices.** Unless otherwise specifically provided herein, any notice or other communication required or permitted to be given shall be in writing addressed to the respective party as set forth below and may be personally served, telecopied or sent by overnight courier service or United States mail certified or registered and shall be deemed to have been given: (i) if delivered in person, when delivered; (ii) if delivered by telecopy, on the date of transmission if transmitted on a Business Day before 4:00 p.m. (West Virginia time) or, if not, on the next succeeding Business Day; (iii) if delivered by overnight courier, two Business Days after delivery to such courier properly addressed; or (iv) if by United States mail, four Business Days after deposit in the United States mail, postage prepaid and properly addressed. Notices shall be addressed as follows:

(a) in the case of the Borrower, to:

Rail Connection, Inc.
737 Eleanor Industrial Park
Eleanor, WV 25070

(b) in the case of the Lender, to:

MVB Bank, Inc.
400 Washington Street, E
Charleston, WV 25301

with a copy not constituting notice to:

Marc Weintraub, Esquire
Bailey & Glasser LLP
209 Capitol Street
Charleston, WV 25301

or in any case, to such other address as the party addressed shall have previously designated by written notice to the serving party, given in accordance with this Section. A notice not given as provided above shall, if it is in writing, be deemed given if and when actually received by the party to whom given.

f. **Power of Attorney.** Borrower hereby appoints Lender as its true and lawful attorney-in-fact, irrevocably, with full power of substitution to do the following upon the occurrence of an Event of Default: (i) to demand, collect, receive, receipt for, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Collateral; (ii) to execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Collateral; (iii) to settle or compromise any and all claims arising under the Collateral, and, in the place and stead of Borrower, to execute and deliver its release and settlement for the claim; and (iv) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Borrower, or otherwise, which in the discretion of Lender may seem to be necessary or advisable. This power is given as security for the Indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced by Lender.

g. **Severability.** If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstance, such finding shall not render that provision invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

h. **Successor Interests.** Subject to the limitations set forth above on transfer of the Collateral, this Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns.

i. **Waiver.** Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, shall

constitute a waiver of any of Lender's rights or of any of Borrower's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

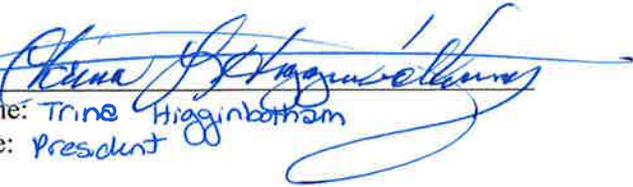

j. **Applicability.** Each agreement, representation, warranty, and provision hereof shall be binding on each and every Borrower, singularly and collectively.

k. **Inconsistency.** To the extent that this Security Agreement is inconsistent or in conflict with any other agreement or assignment between the parties, the terms of this instrument shall govern.

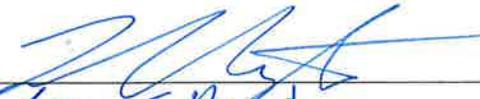

IN WITNESS WHEREOF, the Borrower and the Lender have caused this **Agreement** to be duly executed and delivered by their proper and duly authorized officers as of this 27 day of September 2013.
